Benningtons Secret:

Bennington's Secret Harold O. Hansen, 2000-08 Phil Blake a young architect accepts a commission to renovate an old Queen Anne Mansion in Belleville Minnesota a small city in the southeastern part of the state Intrigued by the building as well as its owner Sandy Winton he attempts to uncover its history In his search for William Ambrose Bennington the original owner he finds greed lust for power and an illegitimate love affair A sinister character George Blackie Wilcot unknown to anyone in the town is also in pursuit of the secrets of the old mansion His path crosses with Phil Blake on several occasions and attempts are made on Phil s life This pushes Phil s pursuit all the harder and he eventually meets Blackie under very strange circumstances Ellen Kemp a local reporter for the Belleville Star Observer introduces Phil to two Old Timers Mr Benson and Mr Effingham both now in their nineties Their recollections of the past reveal the true Mr Bennington as well as a person known as Clarence Wilcott After several mysterious happenings in the tunnel that connected the mansion to the stables Sandy Winton is ready to abandon the entire idea of remodeling Phil s intervention causes her to continue with the work and a final secret is discovered that changes their lives for ever This is a mystery of sadness romance and a lust for power and money The final secret leads to forgiveness that ends with a lasting grace *Bennington House* Donna Bender Hood, 2010-11-15 This is the third book in the Bennington Family trilogy proceeded by *Asa* and *The Double B* The old Bennington family home now considered a historic building has stood empty for five years Geraldine Kingman has the money and believes she can turn the beautiful old home into an upscale bed and breakfast However her own emotional problems and her conflict with one of the Bennington family members will make the restoration a challenge for all concerned Donna lives in a small rural gold rush era community in the Sierra Nevada foothills north of Sacramento California with her husband of 45 years and an old cat Retired from the telecommunication industry she is a great grandmother Besides gardening and writing poetry she is an active member of the local quilt group which hosts an outdoor quilt show to raise funds for their volunteer fire department *The American Short-horn Herd Book* ,1893 ***The Virgin of Bennington*** Kathleen Norris, 2002-04-02 Shy and sheltered as a young woman Kathleen Norris wasn t prepared for the sex drugs and bohemianism of Bennington College in the late 1960s and when she moved to New York City after graduation it was a case of out of the frying pan and into the fire In this chronicle Norris remembers the education she received both formal and fortuitous the influence of her mentor Betty Kray who shunned the spotlight while serving as a guiding force in the poetry world of the late 20th century her encounters with such figures as James Merrill Jim Carroll Denise Levertov Stanley Kunitz Patti Smith and Erica Jong and her eventual decision to leave Manhattan for the less crowded landscape she described so memorably in *Dakota* This account of the making of a young writer will resonate with anyone who has stumbled bravely into a bigger world and found the poetry that lurks on rooftops and in railroad apartments and with anyone who has enjoyed the blessings of inspiring teachers and great friends *Shirley Jackson, Influences and Confluences* Melanie R. Anderson, Lisa

Kröger,2016-05-20 The popularity of such widely known works as *The Lottery* and *The Haunting of Hill House* has tended to obscure the extent of Shirley Jackson's literary output which includes six novels a prodigious number of short stories and two volumes of domestic sketches Organized around the themes of influence and intertextuality this collection places Jackson firmly within the literary cohort of the 1950s The contributors investigate the work that informed her own fiction and discuss how Jackson inspired writers of literature and film The collection begins with essays that tease out what Jackson's writing owes to the weird tale detective fiction the supernatural tradition and folklore among other influences The focus then shifts to Jackson's place in American literature and the impact of her work on women's writing campus literature and the graphic novelist Alison Bechdel The final two essays examine adaptations of *The Haunting of Hill House* and Jackson's influence on contemporary American horror cinema Taken together the essays offer convincing evidence that half a century following her death readers and writers alike are still finding value in Jackson's words [Understanding Sade, Understanding Modernism](#)

Shalhope,2020-03-24 In this lively study Robert E Shalhope supplies a fascinating microcosmic view of the rise and triumph of liberal individualism in America and explores its impact on political culture Selected by Choice Magazine as an Outstanding Academic Title Originally published in 1996 Americans who lived between the Revolution and Civil War felt the brunt of resounding and sometimes frightening changes which together eventually influenced the political culture of early America In this lively study Robert E Shalhope examines one of the changes most difficult to gauge and most controversial among students of the period the rise and triumph of liberal individualism in America and explores its impact on political culture Taking Bennington Vermont and its environs as a case study Shalhope untangles the clash among three competing elements in the community the egalitarian communalism of the Strict Congregationalists the democratic individualism of the revolutionary Green Mountain Boys and the hierarchical authority of the community's Federalist gentlemen of property and

standing None of these players anticipated and indeed did not wish for the result the emergence of democratic liberalism Shalhope writes of class tension economic competition and religious differences and ultimately of cultural conflict and political partisanship and yet throughout uses individual life experiences to give the narrative piquancy and to emphasize the significance of seemingly small personal decisions Shalhope thus demonstrates how the private lives of ordinary people played a role in the settlement of public issues As an account of a single town and how its residents responded to change Bennington and the Green Mountain Boys supplies a fascinating microcosmic view of the larger story of how liberal America came to be *The Potters and Potteries of Bennington* John Spargo,1926 **History of Bennington County, Vt** Lewis Cass Aldrich,1889 Sign of Death Barbara Merrell,1981 *In the end - A tribute to Chester Bennington* Rosanna Costantino,2022-01-13 It starts with A boy born on March 20 1976 a skinny little boy with his contagious laugh a boy whose childhood was stolen Then the boy turned into a man with a great passion for music a man who made his dream come true becoming one of the most famous singers of all times a man who was a wonderful friend husband father a man who behind that joyful and lighthearted facade hid demons so wicked and devious you couldn t imagine Chester was all of this In this amazing tribute Rosanna Costantino was able to transmute the emotions and the feelings of every fan in the world into written words opening her heart At the same time she also described in detail the life of this great man from the day he was born to his tragic death what his bandmates his friends and Linkin Park fans have experienced and how they were able to hold on and stay strong together Chester and Linkin Park are a source of inspiration for all the soldiers their music saved so many lives they told us not to give up through their lyrics they made us feel invincible they are our heroes and now with Rosanna s book we can have a little piece of Chester to always keep with us Paola Trogu **The Centennial History of the Battle of Bennington** Frank Warren Coburn,1877 **The Gravestone Inscriptions of Rupert, Bennington County, Vermont** Levi Henry Elwell,1913 A History of the Battle of Bennington, Vermont Frank Warren Coburn,1912 *Bennington, Vermont 1777-1927* Vermont.
