Crow Mans People:

Annual Reports ,1918 **Becoming and Remaining a People** Howard L. Harrod,2021-10-12 The power of religion to preserve individual and group identity is perhaps nowhere more evident than among Native American peoples In *Becoming and Remaining a People* Howard Harrod shows how the oral traditions and ritual practices of Northern Plains Indians developed how they were transformed at critical points in their history and how they provided them with crucial means of establishing and maintaining their respective identities This book offers a bold new interpretation of anthropological studies demonstrating how religious traditions and ritual processes became sources of group and individual identity for many people Harrod reconstructs the long religious development of two village peoples the Mandans and the Hidatsas describing how their oral traditions enabled them to reinterpret their experiences as circumstances changed He then shows how these and other groups on the Northern Plains remained distinct peoples in the face of increased interactions with Euro Americans other Indians and the new religion of Christianity Harrod proposes that other interpretations of culture change may fail to come to terms with the role that religion plays in motivating both cultural conservatism and social change For Northern Plains peoples religion was at the heart of social identity and thus resisted change but religion was also the source of creative reinterpretation which produced culture change Viewed from within the group such change often seemed natural and was understood as an elaboration of traditions having roots in a deeper shared past In addition to demonstrating religious continuity and change among the Mandans and the Hidatsas he also describes instances of religious and social transformation among the peoples who became the Crows and the Cheyennes *Becoming and Remaining a People* adopts a challenging analytical approach that draws on the author s creative interpretations of rituals and oral traditions By enabling us to understand the relation of religion both to the construction of social identity and to the interpretation of social change it reveals the richness depth and cultural complexity of both past Native American people and their contemporary successors

The Man in the Crow's Nest and Other Talks to Children Frank Tappan Bayley,1913 **Seneca Fiction, Legends, and Myths ...** Jeremiah Curtin,1918 *Aboriginal Peoples and Birds in Australia* Philip A. Clarke,2023-04-03 Australia is home to many distinctive species of birds and Aboriginal peoples have developed close alliances with them over the millennia of their custodianship of this country *Aboriginal Peoples and Birds in Australia Historical and Cultural Relationships* provides a review of the broad physical historical and cultural relationships that Aboriginal people have had with the Australian avifauna This book aims to raise awareness of the alternative bodies of ornithological knowledge that reside outside of Western science It describes the role of birds as totemic ancestors and spirit beings and explores Aboriginal bird nomenclature foraging techniques and the use of avian materials to make food medicine and artefacts Through a historical perspective this book examines the gaps between knowledge systems of Indigenous peoples and Western science to encourage greater collaboration and acknowledgment in the future Cultural sensitivity Readers are warned that there may

be words descriptions and terms used in this book that are culturally sensitive and which might not normally be used in certain public or community contexts While this information may not reflect current understanding it is provided by the author in a historical context This publication may also contain quotations terms and annotations that reflect the historical attitude of the original author or that of the period in which the item was written and may be considered inappropriate today Aboriginal and Torres Strait Islander peoples are advised that this publication may contain the names and images of people who have passed away
