**Mission Trends No. 1** Thomas F. Stransky,1978 Controversies in Mission Rochelle Cathcart Scheuermann,Edward L. Smither,2016-09-15 Crossing social cultural and religious barriers and making disciples of all nations has probably never been without some level of controversy This book is an attempt to hit the pause button on this rapid paced world and to reflect on how we do mission especially in light of the new layers of complexity that globalization brings While the contributors engage in new aspects of mission and cultural encounter unique to the twenty first century the underlying issues of each chapter are age old topics that have reared their heads at various times throughout history priorities in mission power struggles perspectives on cultural others and contextualization With that in mind our aims are twofold 1 to carefully consider issues causing tension and contention within current mission thought practice and strategy and then 2 to engage in serious but charitable dialogue for the sake of God s mission and the salvation of all peoples **Mision en el camino** Charles E. Van Engen,2019-02-28 Durante los pasados cincuenta a os el nfasis sobre la pr ctica y estrategia de la obra misionera ha menoscabado el valor de la importancia de la teolog a de la misi n Sin embargo en las ltimas d cadas te logos y misi logos de todas las tradiciones cristianas han comenzado a reexaminar y repensar las suposiciones teol gicas que fundamentan la obra misionera En Misi n en el Camino Charles Van Engen articula con claridad muchos de los conceptos fundamentales de la teolog a de la misi n Charles Van Engen en este volumen aborda numerosos temas misiol gicos centrales Examina la cuesti n de construir teolog as en contextos espec ficos tales como en la ciudad Tambi n nos muestra tanto los beneficios como las preocupaciones que experimentamos cuando alentamos a los creyentes a teologizar dentro de su propio entorno cuando tomamos con seriedad el sacerdocio de todos los creyentes Hace un delineamiento de los debates actuales sobre asuntos levantados por el pluralismo religioso y batalla con la manera en que podemos proclamar el car cter nico de Cristo sin ser arrogantes y triunfalistas Echa una mirada al impacto que la modernidad y la posmodernidad est n teniendo sobre el movimiento misionero en Occidente y hace un llamado a la renovaci n de nuestro compromiso como seguidores de Jesucristo en los duros ambientes culturales de nuestros d as Explora los roles cambiantes de misioneros y ministros en iglesias j venes y levanta preguntas dif ciles relacionadas con la unidad de la iglesia en medio de su proliferaci n diversidad y fragmentaci n de car cter global Son de excepcional valor la manera en que Van Engen traza la historia de la discusi n reciente sobre cada uno de estos asuntos y la riqueza de fuentes bibliogr ficas que nos presenta para m s estudio Igualmente importantes son las repuestas que l ofrece a estas cuestiones respuestas que nos ayudan a movernos m s all de los caminos sin salida que tanto caracterizan nuestro pensamiento actual Tomado del Pr logo escrito por Pablo Hiebert **Global Christianity and the Early Letters of Horace G. Underwood** James Jinhong Kim,2022-03-31 Who was Horace G Underwood and what possible significance could another missionary of the nineteenth century have to help us rethink our approach to global Christianity and mission in the twenty first century As the first Protestant missionary to set foot in Korea

the last hermit kingdom Underwood is regularly credited with Christianity's unparalleled success and continuing fervent presence in Korea today including its corps of over 27 000 fulltime missionaries in 170 countries around the globe second only to the US in the number of missionaries sent to foreign lands But as extraordinary as his journey to Korea may have been for this arguably most under recognized Protestant missionary of all time it may be his journey from it that offers us vital insights for the future of missions From the making of Underwood through his formative years in England France and America to the Neo Confucian culture he encountered among the people in Korea this book culminates with the presentation and analysis of his previously unknown private letters from the years between 1884 and 1898 showing us the gradual process of interculturalization he himself underwent as a missionary that allowed him to discover and encourage global yet local expression of faith in Korea

**Today's Choices for Tomorrow's Mission** David J. Hesselgrave, 1988

**Christ Outside the Gate** Orlando E. Costas, 2005-08-22 Solidly theological amply historical thoroughly ecumenical and remarkably current Orlando Costas Christ Outside the Gate is the most succinct yet comprehensive analysis of the missiological issues facing the church and the churches that has appeared in many years Alan Neely Southeastern Baptist Theological Seminary Wake Forest Learning and passion come together in Christ Outside the Gate to make it an outstanding contribution to missiology Gabriel Fackre Abbot Professor of Christian Theology Andover Newton Theological School You have in your hands a new way of seeing missions North America as a receiving country the marginalized as the subject as well as object of missions world evangelization with one foot in Melbourne and one foot in Pattaya Few authors blend together so effectively so many worlds evangelism and scholarship northern hemisphere and southern hemisphere sociology and theology Harvie M Conn Westminster Theological Seminary Philadelphia Costas may well be or is on his way to becoming the ablest missiologist alive Jorge Lara Braud Director Council on Theology and Culture Presbyterian Church in the U S Costas writes from the background of an Hispanic Evangelical but goes far beyond the normal concerns of that tradition In a series of far ranging essays he deals with virtually every aspect of the contemporary missiological debate in a manner that is usually balanced and always provocative While some readers will violently question his views at certain points all will be stimulated and challenged to think more deeply and participate more effectively in the total world mission to which God has called His Church Paul E Pierson Fuller Theological Seminary Christ Outside the Gate offers us a perspective of missions that focuses on the transition from paternalism to the contextualization of the Gospel Oscar I Romo Director Language Missions Division Southern Baptist Convention Costas writes from the viewpoint of those who live on the periphery of society He challenges Christians of all denominations to a renewed understanding of the Christ who suffered outside the gates John T Boberg Catholic Theological Union Chicago Orlando E Costas is also the author of Liberating News The Integrity of Mission and The Church and Its Mission World Christian Trends Ad30-ad2200 (hb), 2001 The Eucharistic Liturgy Jameson K. Pallikunnil, 2017-03-20 The Malankara Mar Thoma Syrian Church exists as a hybrid church by blending the Eastern liturgical elements of the

Oriental Orthodox Church and the evangelical ideas of the Protestant Reformation of the sixteenth century This Church is a bridging church connecting Protestantism and Oriental Orthodoxy The reformation in the Malankara Church 1836 instigated a new impetus for this church in constructing an ecclesial identity and pattern of mission A major missiological imperative employed by CMS missionaries in India was solely centered on the scripture Against this popular understanding the Mar Thoma Church through its reformation process showed that liturgy can also be an imperative for mission The translation and revision of the Eucharistic liturgy is the basic visible expression of reformation in the Malankara Church Hence this book explicitly places how the Eucharistic liturgy of the Mar Thoma Church is observed as the foundation for mission in its course of growth In order to accomplish this objective the writer has examined the historical evolution and the developmental process of the Eucharistic liturgy of the church which is a revised version of the liturgy of St James In a nutshell this study is an appraisal of various missiological themes reflected in the Eucharistic liturgy of the church This study throws ample light on how the Mar Thoma Church integrated liturgy and evangelism in its course of development The writer systematically illustrates how the church made a serious effort to bring missional themes employed in the liturgy into the practical realm by its ancillary organizations convention gatherings and sociocharitable works This volume asserts that an emphasis on Eucharist centred ecclesiology guides and motivates the church to enliven a mission oriented life which is crucial for accomplishing a relevant mission
