

## **Cry In Silence**

**Decided in my early youth pain is good,  
while I am crying sitting here, watching  
everything very precious to me falling  
apart, I am glad in my deepest mind,  
rejoice in the opportunity to feel pain  
again, I am much too successful in  
evading pain, it should catch up with  
me from time to time, I follow my list  
of things not to do faithfully, it is only**

**by chance I cry about serious pain, I  
gave up ambition to resign myself to  
be the dunce at work, a spurned fool,  
it is great practising to be impervious  
to pain about things we cannot change  
- so why does it hurt so much, the only  
thing left is to cry in silence...**

**[The only thing i have accomplished  
is to hide all evidence of experience  
brilliant to save face]**
