**Functional Gastrointestinal Disorders in Children** David R. Fleisher,2014-08-06 A substantial body of literature exists on functional gastrointestinal disorders in children and on the bio psycho social model of clinical practice However the integration of these concepts into the management of children with functional disorders remains poorly defined A satisfactory clinical outcome often depends on the clinician s ability to discern not only the biological factors in illness but also the unique cognitive and emotional needs that pediatric patients bring to the task of healing This book further defines bio psycho social theory with respect to six groups of functional disorders and illustrates through clinical examples concepts of management developed during 45 years of practice This book is aimed at pediatricians family practitioners pediatric mental health practitioners pediatric nurse practitioners and pediatric gastroenterologists **Psychologia** ,2007 WHO operational handbook on tuberculosis.
