

Cuba And The Cubans

Brendan G. Carr

Cuba And The Cubans:

Cuba and the Cubans Raimundo Cabrera,1896 **Cuba, Cubans and Cuban-Americans** Jesse John Dossick,1992-01-01 The Culture of Conflict in Modern Cuba Nicholas A. Robins,2010-07-27 Conflict in Cuba is not new Since early in the Caribbean nation s colonial history a small elite has used centralized power to rule for what they viewed as the common good Officials often created monopolies which limited accountability social mobility fair play and economic development This work traces this ethos efforts to change it and its manifestations in present day Cuba The first of seven chapters discusses the history of Cuba s government and economy and the ongoing conflict of monism and pluralism Several chapters then detail the insights the author gained through his work in the country Cubans are only too aware that with very few exceptions they have long been under one form of tyranny or another they hate their chains but fear to lose them Cubans and their friends and enemies both want and fear a pluralistic Cuba and Cubans understand that though Cuban rightists in the United States hate Castro they share many of his principles and methods In a final chapter the work explores various possibilities that the future may hold for the island Cuba in Revolution Antoni Kapcia,2008-11-15 The recent retirement of Fidel Castro turned the world s attention toward the tiny but prominent island nation of Cuba and the question of what its future holds Amid all of the talk and hypothesizing it is worth taking a moment to consider how Cuba reached this point which is what Antoni Kapcia provides with his incisive history of Cuba since 1959 Cuba In Revolution takes the Cuban Revolution as its starting point analyzing social change its benefits and disadvantages popular participation in the revolution and the development of its ideology Kapcia probes into Castro s rapid rise to national leader exploring his politics of defense and dissent as well as his contentious relationship with the United States from the beginning of his reign The book also considers the evolution of the revolution s international profile and Cuba s foreign relations over the years investigating issues and events such as the Bay of Pigs crisis Cuban relations with Communist nations like Russia and China and the flight of asylum seeking Cubans to Florida over the decades The collapse of the Soviet Union between 1989 and 1991 catalyzed a severe economic and political crisis in Cuba but Cuba was surprisingly resilient in the face of the catastrophe Kapcia notes and he examines the strategies adopted by Cuba over the last two decades in order to survive America s longstanding trade embargo A fascinating and much needed examination of a country that has served as an important political symbol and diplomatic enigma for the twentieth century Cuba In Revolution is a critical primer for all those interested in Cuba s past or concerned with its future **Cuba** Julia E. Sweig,2013-03-29 Ever since Fidel Castro assumed power in Cuba in 1959 Americans have obsessed about the nation ninety miles south of the Florida Keys America s fixation on the tropical socialist republic has only grown over the years fueled in part by successive waves of Cuban immigration and Castro s larger than life persona Cubans are now a major ethnic group in Florida and the exile community is so powerful that every American president has curried favor with it But what do most Americans really know about Cuba itself In this second edition of the

widely hailed *Cuba What Everyone Needs to Know* Julia Sweig updates her concise and remarkably accessible portrait of the small island nation and now includes material from her 2010 interview with Fidel Castro The new edition covers the key events of the last few years Raul Castro s assumption of power from his brother Fidel economic and political reforms since Raul came to power and the changes in US Cuba relations following the election of Barack Obama Expansive in coverage and authoritative in scope the book looks back over Cuba s history since the Spanish American War before shifting to recent times Focusing equally on Cuba s role in world affairs and its own social and political transformations Sweig divides the book chronologically into the pre Fidel era the period between the 1959 revolution and the fall of the Soviet Union the post Cold War era and finally the post Fidel era Informative pithy and lucidly written it is the best compact reference on Cuba s internal politics its often fraught relationship with the United States and its shifting relationship with the global community *What Everyone Needs to Know* is a registered trademark of Oxford University Press *George Kennan on the Spanish-American War* Frank Jacob,2017-11-07 This book presents a critical edition of the lecture *Cuba and the Cubans* by George Kennan the Elder with a wide ranging introduction examining its influence on American public opinion of the Spanish American War A well known journalist and travel writer George Kennan went to Cuba in 1898 to report on the war and conditions on the island for American readers After the war he delivered his lecture *Cuba and the Cubans* to audiences across the United States depicting a backwards inferior culture unprepared for independence Frank Jacob s introduction offers rich context for his life lecture and influence arguing that he contributed to the shift in public perception of Cuba from respected ally to wayward neighbor in need of American intervention This critical edition illuminates the interaction between journalism public opinion and U S foreign policy at a key moment in the U S Cuban relationship that still reverberates today

The Cubans Anthony DePalma,2020-05-26 DePalma renders a Cuba few tourists will ever see You won t forget these people soon and you are bound to emerge from DePalma s bighearted account with a deeper understanding of a storied island A remarkably revealing glimpse into the world of a muzzled yet irrepressibly ebullient neighbor *The New York Times* *Modern Cuba* comes alive in a vibrant portrait of a group of families s varied journeys in one community over the last twenty years Cubans today most of whom have lived their entire lives under the Castro regime are hesitantly embracing the future In his new book Anthony DePalma a veteran reporter with years of experience in Cuba focuses on a neighborhood across the harbor from Old Havana to dramatize the optimism as well as the enormous challenges that Cubans face a moving snapshot of Cuba with all its contradictions as the new regime opens the gate to the capitalism that Fidel railed against for so long In Guanabacoa longtime residents prove enterprising in the extreme Scrounging materials in the black market Cary Luisa Limonta Ewen has started her own small manufacturing business a surprising turn for a former ranking member of the Communist Party Her good friend Lili a loyal Communist heads the neighborhood s watchdog revolutionary committee Artist Arturo Montoto who had long lived and worked in Mexico moved back to Cuba when he saw improving conditions but

complains like any artist about recognition In stark contrast Jorge Garc a lives in Miami and continues to seek justice for the sinking of a tugboat full of refugees a tragedy that claimed the lives of his son grandson and twelve other family members a massacre for which the government denies any role In The Cubans many patriots face one new question is their loyalty to the revolution or to their country As people try to navigate their new reality Cuba has become an improvised country an old machine kept running with equal measures of ingenuity and desperation A new kind of revolutionary spirit thrives beneath the conformity of a half century of totalitarian rule And over all of this looms the United States with its unpredictable policies which warmed towards its neighbor under one administration but whose policies have now taken on a chill reminiscent of the Cold War

Cuba Julia E. Sweig,2016-05-25 Informative pithy and lucidly written Cuba What Everyone Needs to Know 3rd edition is the best compact reference on Cuba s internal politics its often fraught relationship with the United States and its shifting relationship with the global community

Culture and Customs of Cuba William Luis,2000-11-30 Cuba continues to loom large in U S consciousness and politics Culture and Customs of Cuba is a much needed resource to give students and other readers an in depth view of our important island neighbor Luis of Cuban descent provides detailed clear insight into Cuban culture in its historical context Religion customs economy media performing and creative arts and cinema are some of the many topics discussed Included in this discussion are contributions of Cubans in exile which Luis considers an inherent part of Cuban culture Encouraging a wider understanding of Cuba this volume describes and highlights the cultures and customs of the island Cuba as one will learn while reading this book is an island of many cultural customs that have evolved out of a rich history Presented in the context of three interrelated periods in Cuban history the Colonial the Republic and Castro s Revolution this book explores Cuba s dynamic culture Luis also notes the spread of Cuban culture abroad where a significant part of the Cuban population has lived since the earl 19th century Students and others interested in this country will find this book to be extraordinarily helpful and informative

Cuba Julia Sweig,2009 Ever since Fidel Castro assumed power in Cuba in 1959 Americans have been obsessed with the socialist nation ninety miles south of Florida an obsession fueled in part by successive waves of Cuban immigration and Castro s fiery larger than life persona Cuban Americans are today a majorethnic group in Florida and the exile community is a powerful force in American politics But what do Americans really know about Cuba In What Everyone Needs to Know About Cuba award winning author Julia E Sweig one of America s leading experts on Cuba and Latin America presents a concise authoritative and remarkably accessible portrait of the small island nation using an innovative question and answer format to illuminateCuba s unique place on the world stage over the past fifty years Following a scene setting introduction that describes the dynamics unleashed since summer 2006 when Fidel Castro transferred provisional power to his brother Raul the book sets the stage with a concise overview of Cuba s history fromits days as a Spanish colony through the first half of the twentieth century before shifting to more recent events the Cuban missile crisis of 1962 the exploits of Che Guevara in the early years of the revolution the saga of Elian Gonzalez in

2000 and Castro's failing health and the changes under the presidency of his brother Raul since 2008. Focusing equally on Cuba's role in world affairs and its own social and political transformations, Sweig divides the book chronologically into the pre-Fidel era, the period between the 1959 revolution and the fall of the Soviet Union, the post-Cold War era, and finally the looming post-Fidel era. Compact and expansive, lively and intriguing like the country itself, *Cuba: What Everyone Needs to Know* is the best ready reference on Cuba's internal politics, its often fraught relationship with the United States, and its shifting role within the global community. *Cuba, Cubans and Cuban-Americans* Jesse J. Dossick, 2017

Cubans in America Alex Antón, Roger E. Hernández, 2003 Presents a glimpse into four centuries of Cubans in America from the sixteenth century to the present day and profiles such noted Cubans as Oscar Hijuelos, Gloria Estefan, and Jeff Bezos

Cuba and the Cubans Raimundo Cabrera, 1896

A Cultural History of Cuba during the U.S. Occupation, 1898-1902 Marial Iglesias Utset, 2011-05-30 In this cultural history of Cuba during the United States' brief but influential occupation from 1898 to 1902, a key transitional period following the Spanish American War, Marial Iglesias Utset sheds light on the complex set of pressures that guided the formation and production of a burgeoning Cuban nationalism. Drawing on archival and published sources, Iglesias illustrates the process by which Cubans maintained and created their own culturally relevant national symbols in the face of the U.S. occupation. Tracing Cuba's efforts to modernize in conjunction with plans by U.S. officials to shape the process, Iglesias analyzes, among other things, the influence of the English language on Spanish usage, the imposition of North American holidays such as Thanksgiving in place of traditional Cuban celebrations, the transformation of Havana into a new metropolis, and the development of patriotic symbols including the Cuban flag, songs, monuments, and ceremonies. Iglesias argues that the Cuban response to U.S. imperialism, though largely critical, indeed involved elements of reliance, accommodation, and welcome. Above all, Iglesias argues, Cubans engaged the Americans on multiple levels, and her work demonstrates how their ambiguous responses to the U.S. occupation shaped the cultural transformation that gave rise to a new Cuban nationalism.

A Contemporary Cuba Reader Philip Brenner, Marguerite Rose Jiménez, John M. Kirk, William M. LeoGrande, 2007-10-05 A second edition of this book is now available. This anthology brings together the best recent scholarship and writing on Cuban politics, economics, foreign relations, society, and culture in the post-Soviet era, which Cubans call the Special Period. Ideally suited for students and general readers seeking to understand contemporary Cuba, the book includes a substantive introduction setting the historical context, as well as part introductions and a chronology.

Cuba in the American Imagination Louis A. Pérez, 2008 One of the foremost historians of Cuba analyzes the metaphorical and depictive motifs that have been used to describe Cuba and their political effectiveness as they have persisted and changed since the early nineteenth century.

Cuba in a Global Context Catherine Krull, 2014-01-20 *Cuba in a Global Context* examines the unlikely prominence of the island nation's geopolitical role. The contributors to this volume explore the myriad ways in which Cuba has not only maintained but often increased its reach and influence in Latin America.

Europe Africa and Asia From the beginning the Castro regime established a foreign policy that would legitimize the revolutionary government if not in the eyes of the United States at least in the eyes of other global actors The essays in this volume shed new light on Cuban diplomacy with communist China as well as with Western governments such as Great Britain and Canada In recent years Cubans have improved their lives in the face of the ongoing U S embargo The promotion of increased economic and political cooperation between Cuba and Venezuela served as a catalyst for the Petrocaribe group Links established with countries in the Caribbean and Central America have increased tourism medical diplomacy and food sovereignty across the region Cuban transnationalism has also succeeded in creating people to people contacts involving those who have remained on the island and members of the Cuban diaspora While the specifics of Cuba s international relations are likely to change as new leaders take over the role of Cubans working to assert their sovereignty has undoubtedly impacted every corner of the globe

The Cubans Carlos Alberto Montaner,2011 *Contesting Cuba's Past and Future* ,2008 This unit explores Cuba s history from the country s pre colonial past to its most recent economic social and political changes Students recreate the discussions Cubans on the island are having about their future

The Portable Island R. Behar,L. Suárez,2008-10-27 Cubans today are at home in diasporas that stretch from Miami to Mexico City to Moscow Back on the island watching as fellow Cubans leave the impact of departure upon departure can be wrenching How do Cubans confront their condition as an uprooted people The Portable Island Cubans at Home in the World offers a stunning chorus of responses gathering some of the most daring Cuban writers artists and thinkers to address the haunting effect of globalization on their own lives

Cuba And The Cubans Introduction

In today's digital age, the availability of Cuba And The Cubans books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Cuba And The Cubans books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Cuba And The Cubans books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Cuba And The Cubans versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Cuba And The Cubans books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Cuba And The Cubans books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Cuba And The Cubans books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital

libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Cuba And The Cubans books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Cuba And The Cubans books and manuals for download and embark on your journey of knowledge?

FAQs About Cuba And The Cubans Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks.
