

Cuba The Culture

Melissa Raé Shofner

Cuba The Culture:

Culture and Customs of Cuba William Luis,2000-11-30 Cuba continues to loom large in U S consciousness and politics Culture and Customs of Cuba is a much needed resource to give students and other readers an in depth view of our important island neighbor Luis of Cuban descent provides detailed clear insight into Cuban culture in its historical context Religion customs economy media performing and creative arts and cinema are some of the many topics discussed Included in this discussion are contributions of Cubans in exile which Luis considers an inherent part of Cuban culture Encouraging a wider understanding of Cuba this volume describes and highlights the cultures and customs of the island Cuba as one will learn while reading this book is an island of many cultural customs that have evolved out of a rich history Presented in the context of three interrelated periods in Cuban history the Colonial the Republic and Castro s Revolution this book explores Cuba s dynamic culture Luis also notes the spread of Cuban culture abroad where a significant part of the Cuban population has lived since the earl 19th century Students and others interested in this country will find this book to be extraordinarily helpful and informative

Havana Antoni Kapcia,2005-07-01 Fat cigars big cars dirty money vibrant music intellectual ferment Havana since its creation in 1535 has long offered a unique bewildering mix of the backward and the hip the seedy and the sophisticated In many respects it shares the characteristics of other colonial or post colonial cities of the Caribbean and Latin America But at the same time Havana created its own niche both as an international city and a dynamic national capital Despite Cuba s fluctuating fortunes Havana has always managed to thrive and develop its own unique character as an urban social economic cultural and political site Havana offers a sweeping account of the city and its cultural development focusing especially on the last two centuries and on the role played by the city s cultural communities in the search for national identity The author introduces us to a marginal city with roots in the sixteenth century taking us through the periods when it was a sugar boomtown pulled between empires a decadent metropolis a site of both cultural revolution and relative stagnation during the development of the Revolution to its revival in the 1990s He looks at the often creative tensions between external influences especially Spain France and the United States and indigenous cultural pressures Areas covered include architecture literature music dance cinema and the press Cosmopolitan playground and nationalist vanguard Havana has developed its own style while at the same time both reflecting and directing the complicated politics of the whole of Cuba This book offers a concise introduction to one of the most intriguing cities of the twenty first century

Cuba Alan West-Durán,2017-11-15 As American Cuban relations begin to warm tourists are rushing to discover the throwback tropical paradise just eighty miles off of the American coast But even as diplomatic relations are changing and the country opens up to the Western world Cuba remains a rare and fascinating place Cuba A Cultural History tells the story of Cuba s history through an exploration of its rich and vibrant culture Rather than offer a timeline of Cuban history or a traditional genre by genre history of Cuban culture Alan West Dur n invites readers to enter Cuban history from the perspective of the island s

uniquely creative cultural forms He traces the restless island as it ebbs and flows with the power beauty and longings of its culture and history In a world where revolutionary socialism is an almost quaint reminder of the decades old Cold War the island nation remains one of the few on the planet guided by a Communist party still committed to fighting imperialism opposed to the injustices of globalization and wedded to the dream of one day building a classless society albeit in a distant future But as this book shows Cuba is more than a struggling socialist country it is a nation with a complex and turbulent history and a rich and varied culture

Cuba April Fast, Susan Hughes, 2004 The Spanish had an enormous impact on Cuba's history and culture introducing the Spanish language to the island and Roman Catholicism Other cultures have also contributed particularly in the area of the arts and food Cuba the culture features the traditions and celebrations of the country's many different cultural influences

On Becoming Cuban Louis A. Pérez, 1999 This work offers a sweeping cultural history of the sustained encounter between the people of Cuba and the US and of the ways that this encounter helped shape Cubans identity nationality and sense of modernity from the early 1850s until the revolution of 1959

Cuba - Culture Smart! Russell Maddicks, Culture Smart!, 2016-07-01 Cuba is a land of contradictions that is easy to enjoy but difficult for first time visitors to decipher The largest island in the Caribbean it is a tropical paradise that Christopher Columbus called the most beautiful land that human eyes have ever seen It is famous for the romantic charm of its crumbling colonial cities the beauty of its white sand beaches and its irresistible Afro Cuban dance beats But it is also a land of shortages and tight government control which has been in a sixty year political standoff with its superpower neighbor the USA The homegrown version of single party socialism created by Fidel Castro has kept Cuba in a Cold War time warp that only now is beginning to change As travel restrictions are relaxed US tourists can once again visit the island Greater flexibility toward private enterprise is opening it up to boutique hotels and high quality home based restaurants There is a boom in special interest tourism for cyclists hikers birdwatchers and scuba divers while foreign entrepreneurs are eagerly exploring investment opportunities Culture Smart Cuba will take you beyond the usual descriptions of Havana nightlife vintage cars and hand rolled cigars and give you an insider's view of an island that is teetering on the brink of historic change It offers insights into Cuba's fascinating history national icons unique food vibrant cultural scene and world renowned music Practical tips help business travelers gain an edge on the competition But most of all this book aims to show you how best to break the ice and get a better understanding of the infinitely resourceful Cuban people who despite severe hardships and shortages over many years remain optimistic and fiercely proud of their heritage and culture

Cuba - Culture Smart! Russell Maddicks, 2016-05-19 Cuba is a land of contradictions that is easy to enjoy but difficult for first time visitors to decipher The largest island in the Caribbean it is a tropical paradise that Christopher Columbus called the most beautiful land that human eyes have ever seen It is famous for the romantic charm of its crumbling colonial cities the beauty of its white sand beaches and its irresistible Afro Cuban dance beats But it is also a land of shortages and tight government

control which has been in a sixty year political standoff with its superpower neighbor the USA The homegrown version of single party socialism created by Fidel Castro has kept Cuba in a Cold War time warp that only now is beginning to change As travel restrictions are relaxed US tourists can once again visit the island Greater flexibility toward private enterprise is opening it up to boutique hotels and high quality home based restaurants There is a boom in special interest tourism for cyclists hikers birdwatchers and scuba divers while foreign entrepreneurs are eagerly exploring investment opportunities Culture Smart Cuba will take you beyond the usual descriptions of Havana nightlife vintage cars and hand rolled cigars and give you an insider s view of an island that is teetering on the brink of historic change It offers insights into Cuba s fascinating history national icons unique food vibrant cultural scene and world renowned music Practical tips help business travelers gain an edge on the competition But most of all this book aims to show you how best to break the ice and get a better understanding of the infinitely resourceful Cuban people who despite severe hardships and shortages over many years remain optimistic and fiercely proud of their heritage and culture

The People and Culture of Cuba Melissa Raé Shofner,2017-12-15 Who are the people of Cuba Readers will probe this question through this lively book about the cultural traditions festivals music art dance and food of this Caribbean island nation Analyzing how the country s history has shaped the cultural identity of its people this comprehensive text sheds light on the unique contributions Cubans have made Readers also learn that it is the largest island and most populated country in the Caribbean Each spread features stunning photographs which make the information pop This engaging take on curricular social studies concepts is sure to capture readers attention

Cuba: Its People, Its Society, Its Culture Wyatt MacGaffey,Clifford R. Barnett,1962

Community and Culture in Post-Soviet Cuba Guillermina De Ferrari,2014-03-14 Following the disintegration of the Soviet Union the globalization of Cuban culture along

with the bankruptcy of the state partly modified the terms of intellectual engagement. However, no significant change took place at the political level. In *Community and Culture in Post-Soviet Cuba*, De Ferrari looks into the extraordinary survival of the Revolution by focusing on the personal, political, and aesthetic social pacts that determined the configuration of the socialist state. Through close critical readings of a representative set of contemporary Cuban novels and works of visual art, this book argues that ethics and gender rather than ideology account for the intellectuals' fidelity to the Revolution.

Community and Culture does three things: it demonstrates that masculine sociality is the key to understanding the longevity of Cuba's socialist regime; it examines the sociology of cultural administration of intellectual labor in Cuba; and it maps the emergent ethical and aesthetic paradigms that allow Cuban intellectuals to envision alternative forms of community and civil society.

The Cultural Policy of Cuba Jaime Sarusky, Gerardo Mosquera, 1979

The "new Man" in Cuba Ana Serra, 2007

The Cuban Revolution not only changed the political regime of the island nation; it also transformed Cuban cultural identity. Che Guevara coined the idea of the New Man to represent the unique revolutionary identity that all Cubans were called to take on. In the speeches of the era, the New Man adopted different guises according to the political campaign of the day: the literate worker, the committed intellectual, the hardworking New Woman, or the heroic sugarcane cutter, among others.

Tracing the rise and fall of the New Man, Ana Serra examines political speeches and award-winning novels that constructed this new identity during the formative years of the Castro regime. Serra argues that during the early revolutionary period, writers helped create the identity of the New Man while simultaneously criticizing its problematic aspects. Although the writers professed unconditional support for the revolution, their texts contained prophetic insights into the conflicts that the new identity would generate.

Cuba in the Special Period A. Hernandez-Reguant, 2009-01-05

This collection examines Cuban cultural production during the Special Period of the 1990s following the collapse of the Soviet Bloc. Contributors address the cultural forms and the associated ethics and practices of labour, leisure, and bureaucratic organization that arose in the transformation of the socialist cultural infrastructure.

This Is Cuba Ben Corbett, 2002-10-16

Beyond the throngs of tourists streaming through Central Havana's broad Prado Avenue and outside the yoke of Castro's 43-year-old Revolutionary program, there exists a parallel Cuba: a separate evolution of a people struggling to survive. With personal stories that depict a people torn between following the directives of their government and finding a way to better their lot, journalist Ben Corbett gives us the daily life of many considered outlaws by Castro's regime. But are they outlaws or rather ingenious survivors of what many Cubans consider to be a forty-year mistake: a tangle of contradictions that have led to a stable instability. At a time when Cuba precariously walks on the ledge between socialism and capitalism, *This Is Cuba* gets to the heart of this so-called outlaw culture, bringing readers into the living rooms, rooftops, parks, and city streets to listen to stories of frustration, hope, and survival.

Fidel Castro and the Quest for a Revolutionary Culture in Cuba Julie Marie Bunck, 2010-11-01

An excellent study of political culture emphasizing cultural and normative resistance to revolutionary values, norms, and goals.

Challenges much of the scholarship that maintained that revolution permanently transformed Cuba's traditional culture and finds that most Cuban workers rejected many of the revolutionary requirements of the Castro government p 184 Highly recommended Handbook of Latin American Studies v 57 [The Cuban Hustle](#) Sujatha Fernandes,2020-09-21 In *The Cuban Hustle* Sujatha Fernandes explores the multitudinous ways artists activists and ordinary Cubans have hustled to survive and express themselves in the aftermath of the Soviet Union's collapse Whether circulating information on flash drives as a substitute for the internet or building homemade antennas to listen to Miami's hip hop radio stations Cubans improvise alternative strategies and workarounds to contend with ongoing isolation Throughout these essays Fernandes examines the emergence of dynamic youth cultures and social movements as Cuba grappled with economic collapse new digital technologies the normalization of diplomatic ties with the United States during the Obama administration and the regression of US Cuban relations in the Trump era From reflections on feminism new Cuban cinema and public art to urban slums the Afro-Cuban movement and rumba and hip hop Fernandes reveals Cuba to be a world of vibrant cultures grounded in an ethos of invention and everyday hustle [Soviet Influence on Cuban Culture, 1961-1987](#) Isabel Story,2019-12-04 This book examines the ways in which the Cuban-Soviet relationship was expressed in the cultural sphere between 1961 and 1987 It specifically focuses on the theater and the visual arts to analyze the ways in which the culture became a means of asserting the Cuban Revolution's independence [The Culture of Conflict in Modern Cuba](#) Nicholas A. Robins,2003 Conflict in Cuba is not new Since early in the Caribbean nation's colonial history a small elite has used centralized power to rule for what they viewed as the common good Officials often created monopolies which limited accountability social mobility fair play and economic development This work traces this ethos efforts to change it and its manifestations in present-day Cuba The first of seven chapters discusses the history of Cuba's government and economy and the ongoing conflict of monism and pluralism Several chapters then detail the insights the author gained through his work in the country Cubans are only too aware that with very few exceptions they have long been under one form of tyranny or another they hate their chains but fear to lose them Cubans and their friends and enemies both want and fear a pluralistic Cuba and Cubans understand that though Cuban rightists in the United States hate Castro they share many of his principles and methods In a final chapter the work explores various possibilities that the future may hold for the island [Handbook of Hispanic Cultures in the United States: Anthropology](#) Nicolàs Kanellos,Claudia Esteva-Fabregat,Thomas Weaver,1994-01-01 Recovering the U S Hispanic Literary Project is a national project to locate identify preserve and make accessible the literary contributions of U S Hispanics from colonial times through 1960 in what today comprises the fifty states of the United States
