"Cómo educar en valores", son historias reales que actualmente viven nuestros niños.

Como padres, familiares y docentes, tenemos el amoroso trabajo de acompañarlos y guiarlos por el buen camino, apoyarlos para que cumplan sus metas y ser ejemplo con aquellos principios y valores, que se disipan en la sociedad actual.

Las críticas que desde pequeños afrontan por su compañerito de estudio, el respeto por el medio ambiente, los sueños y metas que los hacen sentirse grandes, la falta de diálogo entre padres e hijos, son algunos temas, que aquí se encuentran, con un final de gratas enseñanzas que contribuyen a una vida plena y nos indican que existen salidas, cuando creemos que ya no hay ninguna.
