Being God:

Being God's Man by Understanding a Woman's Heart Stephen Arterburn, Kenny Luck, Todd Wendorff, 2010-05-19
How to be God's man in relationship with a woman. Few men would ever embark on an important project, a significant career change, or a major athletic challenge without gathering all the tactical knowledge possible to insure a good outcome. Yet when it comes to relationships with women, most men fail to apply the simple principles that make them successful in other areas of life. It may be easy to get into a relationship with a woman, but it's not so easy to make the relationship work well. It takes energy. It demands effort. It requires education and understanding. God is available to help. But there's a catch: God's man must connect with God's purposes before he can truly connect with his wife. To be God's man, God uses the marriage relationship to promote growth in men's lives because it shows us our character gaps and drives us to Him for solutions. If you want true intimacy and connection with a woman, you'll need to grow up and graduate from God's school of character. This book, *Being God's Man by Understanding a Woman's Heart*, is the perfect start. Special Features: Practical studies facilitate personal encounters with God and other men. Questions encourage genuine reflection and help build godly convictions. Real Life case studies show how the truths you discover have worked out in other men's lives. Standing Strong section gives you the opportunity to form and express your action steps with God and your group.

Being God's Man by Resisting the World Stephen Arterburn, Kenny Luck, Todd Wendorff, 2004-11-16
If you think God's values and the world's values can co-exist, think again. You have to live in this world. But if you want to be God's man, there's a catch: You can't be absorbed or influenced by the world. You have to stand strong as a man of God and resist the world. Men like you who are getting serious about their walk with God feel a deep intuitive conflict of the soul where unholy alliances with the world, which were once acceptable, must now be broken. That's not easy. But here's solid, trustworthy guidance for you from men who have been there too. In *Being God's Man by Resisting the World*, you'll take a look at Christ's template of values as revealed in the Sermon on the Mount. Every man who seeks to understand and train in these values will experience a greater connection with God. So forget what you know, focus on these truths, and start living large spiritually. Special Features: Practical studies facilitate personal encounters with God and other men. Questions encourage genuine reflection and help build godly convictions. Real Life case studies show how the truths you discover have worked out in other men's lives. Standing Strong section gives you the opportunity to form and express your action steps with God and your group.

Being God's Man by Finding Contentment Stephen Arterburn, Kenny Luck, Todd Wendorff, 2004-11-16
How satisfied are you with your life? Men like you are finding it tougher than ever to be content with what they have. They compare themselves with others and continually come up short. The soul-gnawing result is discouragement and disappointment. Lasting contentment comes only from a transformation of your mind, emotions, and will. It also takes a personal encounter with the God who can make you content. In *Being God's Man by Finding Contentment*, you will track this struggle for a new identity through various biblical

passages Like Jacob you will not be fully settled and content until you lay to rest your past and take up a new identity in Christ Jacob became a new creature a man on a mission for the Lord His struggle was over He knew why he was here and what he had to do His life took on purpose and meaning that transcended the striving Yours can too Special Features Practical studies facilitate personal encounters with God and other men Questions encourage genuine reflection and help build godly convictions Real Life case studies show how the truths you discover have worked out in other men s lives Standing Strong section gives you the opportunity to form and express your action steps with God and your group

Being God's Man in Tough Times Stephen Arterburn,Kenny Luck,Todd Wendorff,2003-07-15 David was to be the future king of Israel And yet as you ll see firsthand in this compelling Bible study the journey to that goal was filled with dangers delays and difficulties Just like David every man has a dream of who he wants to become But getting there is a different story Hardships and losses can destroy the faith and even the life of a lesser man Many men fail to realize their dreams because they choose comfort over character image over substance and escape over endurance But a man who knows how to embrace hardship and learn to mine it for God s purposes will see his godly dreams come true Hardships are inevitable Embracing them is a choice God s dream for you is at stake And Being God s Man in Tough Times will equip you to overcome life s difficulties in the power and wisdom of God
