Being Sexual Celibate

Dwight L. Wolter

Being Sexual Celibate:

Being Sexual-- and Celibate Keith Clark,1986 Provides thoughtful presentations on what for most people remain unexamined assumptions Urges readers to seriously examine their own experience of being sexual and not fear its mystery and to recognize the necessity for intimacy in their lives Reflects on the role of intimacy within religious communities and the fraternity of priests and its role beyond community *Sex, Celibacy, and Priesthood* Lou A. Bordisso,2011-08-19 The traditional Catholic Church views true celibacy as a gift from God But today's reality paints a much different picture In *Sex Celibacy and Priesthood* Lou A Bordisso reviews the research on sexual activity and celibacy among Catholic priests Featuring heart wrenching anonymous and candid self disclosures about the sexual behaviors of heterosexual gay and bisexual priests Bordisso explores the meaning of celibacy in accordance with Roman Catholic Church teachings doctrine and canon law *Sex Celibacy and Priesthood* provides an honest and frank study of current perspectives on celibacy in light of priestly sexual behaviors It allows for Roman Catholic priests to speak out in their own voices about their struggles and the conflicts they experience between celibacy and their sexual activities At a time when most are disgusted with the sexual scandal coverups smokescreens and veil of secrecy provided by many Roman Catholic bishops and their apologists *Sex Celibacy and Priesthood* tells the truth and encourages us to think imaginatively and compassionately about an issue of crucial importance to the Roman Catholic Church at this moment in history [Sexual Dimensions of the Celibate Life](#) William F. Kraft,1979 **Child Sexual Abuse and the Catholic Church** Marie Keenan,2013-07-18 A meticulously researched inside look at child sexual abuse by clergy this exhaustive hard hitting analysis weaves together interviews with abusive priests and church historical and administrative details to propose a new way of thinking about clerical sexual offenders Linking the personal and the institutional researcher and therapist Marie Keenan locates the problem of child sexual abuse not exclusively in individual pathology but also within larger systemic factors such as the very institution of priesthood itself the Catholic take on sexuality clerical culture power relations governance structures of the Catholic Church the process of formation for priesthood and religious life and the complex manner in which these factors coalesce to create serious institutional risks for boundary violations including child sexual abuse Keenan draws on the priests own words not to excuse their horrific crimes but to offer the first in depth account of a tragic multi faceted phenomenon What emerges is a troubling portrait of a Church in crisis and a series of recommendations that call for nothing less than a new ecclesiology and a new more critical theology Only through radical institutional reform Keenan argues can a more representative and accountable Church emerge *Child Sexual Abuse and the Catholic Church* is a unique reference for scholars of the Church and therapists who work with both victims and offenders as well as a forward thinking blueprint for reform **Celibacy, Culture, and Society** Elisa Janine Sobo,Sandra Bell,2001 What does celibacy mean for individuals and for the people around them What function does it serve This is the first cross cultural inquiry into the practice of celibacy around the world and

through the ages among groups as diverse as Kenyan villagers and U S prisoners Mazatec Shamans and Buddhist nuns and monks Shaker church members and anorexic women The examples of celibacy described here illustrate the complex relationship between human sexuality and its particular sociocultural context Ideas about the body gender family work religion health and other dimensions of life come sharply into focus as the contributors examine the many practices and institutions surrounding sexual abstinence They show that though celibacy is certainly sometimes a punishment or a deliberate ritual abstinence it also serves many other social and material functions and in some cases contributes to kin group survival and well being Celibacy Culture and Society represents a significant step toward understanding the functions and meanings of sexuality

Bless Me Father for I Have Sinned Thomas G. Plante Ph.D.,1999-09-30 A tremendous amount of media attention has been devoted to revealing sexual abuse perpetrated by Roman Catholic priests These essays outline a clinical and research agenda for professionals dealing with clergy sexual abuse They should enable research clinical professionals and clergy to identify the relevant issues in the identification diagnosis treatment and prevention of child and adolescent sexual abuse committed by Roman Catholic priests Leading experts in the field from the United States and Canada have offered their different perspectives on this compelling problem including victim profiles for determining who is at risk

Religion, Transformation and Gender Kurt Appel,Isabella Guanzini,2017-10-02 The fifth issue of the Interdisciplinary Journal for Religion and Transformation in Contemporary Society J RaT centers on the topic of religion transformation and sex gender The focal point will be on religious and cultural transformation processes and their repercussions on gender roles constructs and representations on the one hand and on sex and or gender transformations which are embedded in the context of specific religious traditions on the other Transformation is understood here as change alteration and reformatting The multifaceted connections between religion transformation and sex gender are concretized in an abundance of material and symbolic phenomena and are examined starting from different subject specific and methodical approaches
