

Believers usually only have fellowship with those in their own church or group. This segregation is divisive. Intentional actions are needed to go visit and fellowship with believers that are not in their regular group. This greeting will grow the one fellowship of Jesus Christ which is the oneness of the body.

Baldwin,1806 Who Can Take the Lord's Supper? Dallas W. Vandiver,2021-09-10 Baptism and the Lord's Supper are likely more basic for the church than you think When Jesus inaugurated the new covenant by his death on the cross he established baptism as the new covenant sign of entry and the Lord's Supper as the new covenant sign of participation These signs identify believers with Christ and his people They are integral to the existence membership and discipline of the local church In answer to the question Who can take the Lord's Supper this book catalogues four major positions in the broad Baptist tradition While proponents of various views have appealed to the necessity of circumcision for participation in Passover as evidence for their position none have adequately worked out the covenantal relationships between circumcision and baptism or Passover and the Lord's Supper By contrast to Reformed paedobaptist covenantal theology and in distinction from Baptist covenantal theology and dispensational theologies this book develops the relation of these covenantal signs from a progressive covenantal perspective It presents an unprecedented comparison of the continuities and discontinuities between the covenant signs across the storyline of Scripture to demonstrate a biblical theological principle that the sign of entry should precede the sign of participation *For Believers Only* Dale Satterthwaite,2017-07-06 For over 40 years this pastor Pastor Dale Satterthwaite 1909 1973 was in demand at International Baptist meetings He was a pastor to pastors and missionaries His personal library was known as the best in the state He stayed in downtown Los Angeles even though churches elsewhere with big salaries and benefits begged him to come to stay not just speak at their meetings There was no other pastor that was constantly building up valuable church workers only to be thrilled to see them enter full time missionary work This book is a collection of twelve of his sermons taken from the last couple years of his life They cover topics like worry death following God holiness God's knowledge things being good the Christian home and Roman Catholicism This book is offered only to Christian believers who believe that Jesus Christ is God and born of a virgin This book will not be of any real value to an unsaved person The promises mentioned in the book only apply to the child of God It is a mistake to think special teaching aimed at born again believers should be used by nonbelievers Pastor Satterthwaite believed a real disservice had been made by those that applied God's Word to everyone indiscriminately True disciples of our Lord and Savior Jesus Christ will find this book inspiring and very helpful in learning to live a holy and separated Christian life **An Apology for the True Christian Divinity** Robert Barclay,1886 **Prophetic Studies of the International**
