**Benedict Arnold** Willard Sterne Randall, 2003 Benedict Arnold's name has become synonymous with the word traitor but Arnold's legend neglects the fact that Arnold was an outstanding military leader and had several important victories against the British in the early days of the American Revolution This volume presents portrait of the man giving the reader an understanding of Arnold's motives for betraying the country for which he had once fought so diligently *Benedict Arnold* Ann Gaines, 2000 Describes the life and times of Benedict Arnold giving a glimpse into the man whose name became synonymous with the word traitor *The Patriot Traitor: the Life and Legacy of Benedict Arnold* Charles River Charles River Editors, 2013-08-24 Explains Arnold's achievements for the Americans his treason and how he has been remembered Includes pictures of Arnold and important people places and events in his life Neglected by Congress below distressed with the small pox want of Generals and discipline in our Army which may rather be called a great rabble our credit and reputation lost and great part of the country and a powerful foreign enemy advancing upon us are so many difficulties we cannot surmount them Benedict Arnold On October 7 1777 Benedict Arnold rode out against orders and led an American assault against British forces led by General John Burgoyne in one of the climactic battles of the Revolution at Saratoga the ultimate turning point of the war Near the end of the most important American victory of the Revolution Arnold's leg was shattered by a volley that also hit his horse which fell on the leg as well Arnold would later remark that he wish the shot had hit him in the chest If it had Benedict Arnold would be remembered as one of America's greatest war heroes and probably second only to George Washington among the generals of the Revolution In fact when Arnold was injured at the height of his success in October 1777 he had been the most successful leader of American forces during the war Arnold had been instrumental in the seizure of Fort Ticonderoga in 1775 he constructed the first makeshift American navy to defend Lake Champlain and delay British campaigning in 1776 and he was the principal leader at Saratoga in 1777 Even his unsuccessful campaign to Quebec in the winter of 1775 is remembered primarily for the amazing logistical feats undertaken by Arnold and his men to even reach the target History has accorded Arnold his fair share of credit for the fighting he participated in from 1775 1777 The problem is his contemporaries did not Arnold was better on the field than any other American general in those years but his mercurial personality rubbed some the wrong way and other self promoting generals from Ethan Allen to Horatio Gates credited themselves with success at Arnold's expense Meanwhile the Second Continental Congress frequently if inadvertently slighted Arnold failing to duly promote him in a timely fashion and failing to pay him four years of back pay even as he spent his own private fortune training equipping and feeding his army and navy Historian William Sterne Randall estimates Congress shorted Arnold out of the equivalent of 275 000 Today of course all of that has been overshadowed by Arnold's treacherous plot to turn over West Point to the British in 1780 The infamous plot came about while Arnold convalesced as the military governor in Philadelphia where he met and married the Tory affiliated Peggy Shippen Arnold grew more concerned about the

patriot cause and combined with the perceived insults exposure to Loyalist leanings and another Congressional rebuke for living extravagantly in Philadelphia Arnold decided to secretly offer his services to the British As every American knows Arnold s plot was uncovered and he barely escaped to the British side where he was just as distrusted and nearly as despised Though he would serve as a brigadier general for the British through the end of the war his personal fortune and reputation were permanently tarnished The man who could have been one of his country s greatest heroes became its most despised traitor The Patriot Traitor The Life and Legacy of Benedict Arnold chronicles Arnold s life and military career but it also humanizes the man and offers an objective look at Arnold s treachery and plot in an effort to separate fact from legend Along with pictures of important people places and events in his life you will learn about Arnold like you never have before in no time at all [Benedict Arnold](#) Oscar Sherwin,1972-01-01 **Benedict Arnold, Patriot and Traitor** Oscar Sherwin,1931 [Benedict Arnold](#) Pamela Dell,2005 Profiles the life of the man who betrayed his country and became known as a traitor **Benedict Arnold Patriot Turned Traitor** , *Benedict Arnold, Patriot and Traitor, Etc. Burns,1950 **Benedict Arnold** Norma Jean Lutz,1999-09 A biography of the infamous traitor who sold secret military information to the British army during the American Revolution *The Tragedy of Benedict Arnold* Joyce Lee Malcolm,2018-05-01 History remembers this proud talented and conflicted man solely through the lens of his last desperate act of treason Yet the fall of Benedict Arnold remains one of the Revolutionary period s great puzzles Why did a brilliant military commander who repeatedly risked his life fighting the British who was grievously injured in the line of duty and fell into debt personally funding his own troops ultimately became a traitor to the patriot cause Throughout Malcolm weaves in portraits of Arnold s great allies George Washington General Schuyler his beautiful and beloved wife Peggy Shippen and others as well as his unrelenting enemy John Adams British General Clinton and master spy John Andre Thrilling and thought provoking The Tragedy of Benedict Arnold sheds new light on a man as well on the nuanced and complicated time in which he lived **George Washington and Benedict Arnold** Dave Richard Palmer,2010-09-14 From 1775 through 1777 George Washington and Benedict Arnold were America s two most celebrated warriors Their earlier lives had surprisingly parallel paths They were strong leaders in combat they admired and respected each other and they even shared common enemies Yet one became our greatest hero and the other our most notorious traitor Why In the new paperback edition of George Washington and Benedict Arnold A Tale of Two Patriots author and military historian Dave Palmer reveals the answer character **Benedict Arnold** Jessica Gunderson,2013-07 Describes Benedict Arnold s actions during the Revolutionary War and his betrayal of the Patriot cause *Historical Dictionary of the American Revolution* Terry M.
