they solicited me to write these introductory observations though I had no participation in the subsequent labours The first part was executed by a relative of my own and also occasional portions afterwards amounting in all to about one fifth of the whole The rest is the performance exclusively of my esteemed friend the Rev J ohh Eadie of cambridge street Secession Church Glasgow In such a production it may be easy to find faults or to propose amendments but from the care which has been bestowed upon the undertaking the strongest hopes are entertained that it will give general satisfaction and as an humble help to the knowledge of God s word conduce to the freedom of its course that it may be glorified It may be specially serviceable to ministers preachers and students in travelling when they cannot conveniently carry a larger concordance with them to private families who have too much regarded such an auxiliary to biblical attainment as a concomitant of some official station to the teachers and even the pupils of Sabbath schools by enabling them to compare scripture with itself and adduce readily the passages by which its doctrines may be proved And may he who alone can communicate saving efficacy to any means of doing good command on this instrumentality the blessing from on high that ignorance may be dispelled enmity subdued and his own word grow mightily and prevail About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
