Cruel Way:

The Mysterious Numerical Bible Code and Other Revelations Lawrence D. Shawbrooks, 2016-06-01 The Hebrew Christian religion remains the most potent verifiably truthful religion on the planet It suffers horrendously from murderous oppression in the Middle East its homeland and was crushed flat by the largest political State the world has ever known Soviet Russia and it endures heavy disheartenment by flawed innuendo and secularisation throughout Europe Despite these massive attacks from mistaken religion hard line atheists and dont know cant be bothered groups yet it remains And more than this It remains philosophically socially prophetically and scientifically the largest most credible and consistent belief system on the planet Its not by accident that non violent Christianity believing in the non violent Ten Commandments and the beautiful spirit of them in the Beatitudes can survive such intense mentalphysical violent persecution and still remain so vibrant True Christians know The only reason it is so is because the holy Messiah God of Israel is the only true God He rules over all the kingdoms of men but its only the kingdom of Christianity which knows this He loves all humans but not their thoughtsactions However only Christians recognise this and sincerely give thanks that He is their God their prophet priest and king He prophesied that enormous ungodliness would come against His church and followers but these gates of hell would not overcome it and so it is now as we head towards Armageddon and the end of the human age This book explains His prophecies and associated key milestone calculations This is one of many ways witnessing that He is the genuine unique article just as the Hebrew Christian Bible says The purpose of our existence is to have a loving relationship with Him When humans choose to reject Him it causes us to create corrupt and false gods Without realising it many religious people worship corrupt gods and atheism worships its false no God god These cannot bring a person into the paradise of fruitful everlasting life their ways effectively bring people into a fruitless everlasting living death This grieves the Messiah God of Israel because He loves fruitful life To encourage us and to verify who He is He leaves indicators throughout history evidencing even now in these days of the deeply sceptical cheating spirit that humans are without excuse come the judgement Lawrence D Shawbrooks is now retired but continues to work as an Elder in the Church oversight [Between Tradition and Modernity: Philosophical Reflections on the Modernization of Chinese Culture](#) Li Zonggui, 2015-04-12 This book discusses contemporary Chinese philosophy It is the is the outcome of the author s own twenty year long studies on the relationship between modernization and Chinese culture from the perspective of cultural reconstruction and philosophical reflection The book highlights the author s opinions and research outcomes Part I Culture 1 1 The Basic Spirit of Ancient Chinese Culture I Schools of thought on the basic spirit of ancient Chinese culture II The cultural spirit with humanism as its core 2 Types and Characteristics of Chinese Culture I The culture of ethical politics that seeks good governance II Characteristics of the studies of ancient Chinese culture 3 Thinkers and Cultural Traditions I Thinkers and connotations of cultural traditions II The major cultural tradition promoted by thinkers III The main approaches taken by the thinkers to shaping cultural traditions IV
