

Cuban Miami

Christine Lohmeier

Cuban Miami:

Cuban Miami Robert M. Levine, Moisés Asís (oaut.), 2000 Praising Cuban Americans cultural distinctness hard work and entrepreneurship the authors present a photographic account of the influence of Cuban migration on the city The text also discusses the cuisine music religion everyday life and politics Photographs cartoons in bandw Annotation copyrighted by Book News Inc Portland OR *Three Guys from Miami Cook Cuban* Glenn M. Lindgren, Raúl Musibay, Jorge G. Castillo, 2004 Written by the trio that has spawned a renewal of interest in Cuban cuisine his guide to the flavors of Cuba reveals the island as a tasty confluence of panish spices tropical ingredients and African influence **Latinos** Marcelo M. Suárez-Orozco, Mariela Páez, 2008 Latinos brings together the most sophisticated thinking on the changing intellectual complexion of America Henry Louis Gates Jr author of *Thirteen Ways of Looking at a Black Man* **Cuban-Jewish Journeys** Caroline Bettinger-López, 2000 Between ten and fifteen thousand persons of Cuban Jewish heritage currently live in Miami Until now however this vibrant community and its unique traditions have to a large extent escaped the notice of ethnographers historians and other scholars In *Cuban Jewish Journeys* Caroline Bettinger L pez remedies that neglect with an engaging in depth look at a people whose rich mix of cultures confounds typical ethnic images The author begins by investigating the history and development of the Cuban Jewish community tracing its origins back to Jewish enclaves in Eastern Europe Russia and the Mediterranean She explores how these people came to Cuba in the first half of the twentieth century and how they eventually resettled in the United States as part of the larger Cuban migration that followed Fidel Castro s 1959 revolution In recounting this history Bettinger L pez draws heavily on numerous stories told to her by Cuban Jews in Miami and elsewhere Those oral histories also form the basis of Bettinger L pez s subsequent exploration of the identity and assimilation issues facing Jewbans as many in Miami began calling themselves in the 1970s She found that place and date of birth for instance may affect an individual s identification with a particular homeland and political ideology which may in turn influence how the individual remembers Cuban Jewish history The future of Miami s Jewban community she suggests now lies in the hands of a generation that for the most part has grown up within the United States Already the community is transforming itself linguistically culturally and religiously to accommodate the younger generation Skillfully interweaving historical analysis personal reflections inter generational stories theories of diaspora photographs and current debates on ethnographic writing *Cuban Jewish Journeys* will appeal not only to scholars but to anyone interested in the ever changing face of multicultural America The Author Caroline Bettinger L pez a native of Miami studied anthropology at the University of Michigan Since her graduation she has worked in various teaching and social service positions in Miami Most recently she has taught disadvantaged children in Haiti Historic Photos of Cuban Miami Jennifer Ortiz, 2010 Since 1959 when Cuba was overrun by Marxist revolutionary Fidel Castro after a long guerrilla war Cubans have come to America in waves through the auspices of the United States and its open door policies on immigration and asylum Destination of choice

Miami Florida today home to hundreds of thousands of Cuban refugees granted political asylum in the United States and to the Americans of Cuban descent welcoming them ashore In Historic Photos of Cuban Miami Miamian Jennifer Ortiz looks back at the origins hardships unique ethnicity and progress of the Cuban American community which today so widely shapes this American metropolis Nearly 200 photographs reproduced in vivid black and white captioned and with introductions tell the story of this chapter in recent American history so influential for Miami and the Cuban exiles and Cuban Americans who call Miami home

The Making of Urban America Raymond A. Mohl,1997-06 This second edition is designed to introduce students of urban history to recent interpretive literature in this field Its goal is to provide a coherent framework for understanding the pattern of American urbanization while at the same time offering specific examples of the work of historians in the field

Ethnicity in Contemporary America Jesse O. McKee,2000 Thoroughly revised and updated in this second edition this clear and thoughtful text offers a geographical analysis of the history of U S immigration patterns and the development of selected ethnic minority groups The book focuses especially on their origin diffusion socioeconomic characteristics and settlement patterns within the United States The book sets the context with opening chapters that discuss migration theory and the history of U S migration from 1607 to the present including major U S immigration legislation and provide a background for the time of entry volume and spatial distribution of various groups Case study chapters then analyze each of those groups including Native Americans and those of African Puerto Rican Mexican Cuban Jewish Japanese Chinese and Indochinese origin The final section of the book explores rural and urban ethnic enclaves focusing especially on immigrant groups of European heritage and their impacts on the cultural landscape of the United States

The Exile David Rieff,1994-08-31 The Exile is a fascinating portrait of Miami s Cuban population the most successful group of immigrants to settle in the United States since the Jews of the nineteenth century David Rieff whom the San Diego Tribune called our modern Alexis de Tocqueville has provided an engrossing look at a group exiled from its homeland showing how America has affected these immigrants and what it means to become an American in the late twentieth century

Miami's Forgotten Cubans Alan A. Aja,2016-08-31 This book explores the reception experiences of post 1958 Afro Cubans in South Florida in relation to their similarly situated white Cuban compatriots Utilizing interviews ethnographic observations and applying Census data analyses Aja begins not with the more socially diverse 1980 Mariel boatlift but earlier documenting that a small number of middle class Afro Cuban exiles defied predominant settlement patterns in the 1960 and 70s attempting to immerse themselves in the newly formed but ultimately racially exclusive ethnic enclave Confronting a local Miami Cuban white wall and anti black Southern racism subsumed within an intra group success myth that equally holds Cubans and other Latin Americans hail from racial democracies black Cubans immigrants and their children including subsequent waves of arrival and return migrants found themselves negotiating the boundaries of being both black and Latino in the United States

Handbook of Hispanic Cultures in the United States: Anthropology

Nicolàs Kanellos, Claudia Esteva-Fabregat, Thomas Weaver, 1994-01-01 Recovering the U S Hispanic Literary Project is a national project to locate identify preserve and make accessible the literary contributions of U S Hispanics from colonial times through 1960 in what today comprises the fifty states of the United States **Florida Cuban Heritage Trail** Tailored Tours Publications, Incorporated, 1999 **The Cuban-American Experience** Thomas D. Boswell, James R. Curtis, 1983

Cuban Americans and the Miami Media Christine Lohmeier, 2014-02-01 This book makes a contribution to the debates on diasporic identities and transnational communication It provides an analysis of the Cuban American community and its relationship to Miami based English and Spanish language media Based on extensive ethnographic data the author demonstrates how different media have been used produced and influenced by segments of the Cuban American community in Miami After establishing the significance of Miami as a locale to receive a high number of migrants after the Cuban revolution in 1959 what follows is an exploration of the interplay of collective Cuban American identity and the evolution of an exile community on the one hand and media institutions and their output on the other In doing so Miami based press radio network television and online media are examined The author moreover shows how mediated memories of pre revolutionary Cuba have been kept alive in Miami and over time became more inclusive through the use of new media technologies **La Lucha for Cuba** Miguel A. De La Torre, 2003-10-10 This the first major study of popular religion in Miami s community of exiled Cubans is outstanding De La Torre captures the intimacy and flavor of a spiritual movement that crosses moral and theological lines It s bound to upset some for its frank conclusions but all great books go against the inherited grain in some way Luis Le n author of La Llorona s Children Religion Life and Death in the U S Mexican Borderlands A daring and careful expos of the political and religious right wing discourse circulating among Cuban exiles In this extremely important courageous and long overdue project about cubanidad Cubanness De La Torre has created a historical marker in the effort to clear the way for a more democratic and spiritually compassionate world for Cuban Americans Laura Perez Associate Professor of Ethnic Studies University of California Berkeley **Oye Loca** Susana Peña, 2013-08-01 During a few months in 1980 125 000 Cubans entered the U S as part of a massive migration known as the Mariel boatlift Drawing from first person stories of Cuban Americans as well as government documents and cultural texts from both the U S and Cuba Susana Pe a reveals how a historical event shaped the formation of an entire ethnic and sexual landscape **Miami** Joan Didion, 1998-09-29 Miami is not just a portrait of a city but a masterly study of immigration and exile passion hypocrisy and political violence from the bestselling award winning author of The Year of Magical Thinking and Let Me Tell You What I Mean It is where Fidel Castro raised money to overthrow Batista and where two generations of Castro s enemies have raised armies to overthrow him so far without success It is where the bitter opera of Cuban exile intersects with the cynicism of U S foreign policy It is a city whose skyrocketing murder rate is fueled by the cocaine trade racial discontent and an undeclared war on the island ninety miles to the south As Didion follows Miami s drift into a Third World capital she also locates its

position in the secret history of the Cold War from the Bay of Pigs to the Reagan doctrine and from the Kennedy assassination to the Watergate break in *Cuban American Political Culture and Civic Organizing* Robert M. Ceresa, 2017-06-21 This book studies civic organizations in Miami's Cuban community Few places in the United States have been transformed by immigration the way Miami has been transformed by Cuban exiles Cuban civic organizations help to explain why this is the case Civic organizations are the heart of the story of the social and political power and influence of Miami's Cuban community This community is home to a broad tradition of active political participation and many civic organizations The sheer number of organizations suggests they have something to do with the community's considerable vibrancy and civic capacity How do the organizations work How have they managed to be so successful over so many years What can be learned about successful civic organizing from their experience How will changing United States-Cuba relations impact Cuban civic organizations and in turn broader Miami These are questions this book helps to answer **Leaving Little Havana** Cecilia M Fernandez, 2015-01-06 Revolution uprooted six year old Cecilia from her comfortable middle class Cuban home and dropped her into the low income neighborhood of Miami's Little Havana Her philandering father focused on rebuilding his career chasing the American promise of wealth and freedom from the past Her mother spiraled into madness trying to hold the family together and get him back Neglected and trapped Cecilia rebelled against her conservative culture and embraced the 1960s counter culture seeking love attention and a place of her own in America But immigrant children either thrive or self destruct in a new land How will Cecilia beat the odds While most memoirs by Cuban Americans revolve around childhood scenes in Cuba and explore the experiences of a young man Leaving Little Havana is the first refugee memoir to focus on a Cuban girl growing up in America rising above the obstacles and clearing a path to her American Dream Leaving Little Havana is the compelling story of a Cuban girl seeking a new life in the U S with her family as the Cuban revolution unfolds in the early sixties Cecilia's personal account and sexual awakening is transparent sad and triumphant sprinkled with anecdotes of an emerging Cuban American landscape In short this book is a colorful reminiscence of historical scenes on both sides of the Straits of Florida providing closure to a Cuban American journalist coming to terms with her turbulent past Guarione M Diaz President Emeritus Cuban American National Council Cecilia Fernandez's memoir of growing up Cuban in Miami is not only fascinating reading it tells more about the story of Cubans in this U S than a truckload of sociology textbooks and is a thousand times more entertaining Dan Wakefield author of *New York in the Fifties* Leaving Little Havana is a candid touching and engaging memoir of a young Cuban exile's coming of age Cecilia Fernandez writes with passion and intensity both of her missteps and her triumphs casting fresh light on the American experience in the process Les Standiford author of *Havana Run and Bringing Adam Home* Cecilia Fernandez gives us a coming of age story told with wide open eyes and vivid details of growing up in Little Havana Broken hearted more times than she can count she gradually finds a path to new beginnings and the infinite promises of the American Dream A poignant and important

chronicle of the Miami Cuban immigrant journey Ruth Behar author of *Traveling Heavy* A Memoir in *Between Journeys* Every so often along comes a book that seizes you by the collar and arrests you on the spot From page one *Leaving Little Havana* is a brilliant voice driven book that will make your heart skip a few beats My experience reading this book was similar to the first time I read *The House on Mango Street* by Sandra Cisneros when you instantly know you are reading a classic a story so achingly beautiful and unforgettable you relish every last word as if it were the buzzing of a hummingbird at your lips feeding you honey This book is about family about what happens to family in exile about how people come into a great world of struggle and manage to get by and survive The author has a great gift for capturing that world known enclave of Miami we love and call Little Havana This might be the book that puts it on the literary map for good and forever Virgil Suarez author of *Latin Jazz* *The Cutter* and *90 Miles Selected and New Poems* *Investigation of the Assassination of President John F. Kennedy*, 1964 **Ebony**, 1963

As recognized, adventure as capably as experience virtually lesson, amusement, as with ease as treaty can be gotten by just checking out a ebook **Cuban Miami** next it is not directly done, you could believe even more all but this life, in this area the world.

We find the money for you this proper as capably as easy pretentiousness to get those all. We manage to pay for Cuban Miami and numerous books collections from fictions to scientific research in any way. accompanied by them is this Cuban Miami that can be your partner.
