Cuddly Kittens:

A Cuddle of Cats Heather Cook,2016-11-07 I know that the correct collective noun for a gathering of cats is a clowder but cuddle seems so much more appropriate that I couldn't resist using it in the title of this book Sometimes of course a spit of cats might be more fitting or even an eruption such as occurs every now and then on the sofa of an evening and results in much spillage of El Plonko A Cuddle of Cats is a charming collection of poetry that captures cats in all their moods and peculiarities not to mention a few human quirks along the way There is Daisy the boy for example who rises above an identity crisis with enviable nonchalance Portia who manages to snatch a blissful existence from a dodgy start in life the Persian spy who dominates the Kremlin during the Cold War the veterans of the Residents Lounge and many many more Benjamin Wobble a hero of earlier volumes makes a welcome reappearance as do Tiny Trixie Tribble and Spitfire the ageing wild cat who takes everything that is on offer with a heartwarmingly gracious grumble Most of the rhymes and recollections are amusing a few touch upon the sadder consequences of loving things but the book is above all things a celebration of the special relationships we enjoy with these fascinating creatures A Cuddle of Cats is a heartwarming collection that will make the perfect addition to any animal lover's bookshelf New Self-Learning English Course with Activities 2 Rita Wilson & K.
