## Die Zeit Mit Françoise Gilot:

Pablo Picasso and Dora Maar Dr Enrique Mallen, 2021-03-12 Although Pablo Picasso spotted Dora Maar at a cafe in January 1936 it is highly likely that she had come to his attention prior As Brassá a Hungarian French photographer recalled It was at Les Deux Magots that one day in autumn 1935 he met Dora On an earlier day he had already noticed the grave drawn face of the young woman at a nearby table the attentive look in her light colored eyes sometimes disturbing in its fixity When Picasso saw her in the same cafe in the company of the surrealist poet Paul Iúard who knew her the poet introduced her to Picasso Brassá a k a Gyula Hal sz Conversations with Picasso University of Chicago Press 1999 Tinged with a seductive mix of violence and dark eroticism this first meeting has attained mythical status in the story of the artist s life It reads like an unreal fantasy A mysterious and feline beauty which Man Ray had captured in the pictures he took of her a companion of Georges Bataille Dora was an accomplished photographer close to the Surrealists revolutionary aesthetics Picasso addressed her in French which he assumed to be her language she replied in Spanish which she knew to be his For the next decade the painter would translate not just his fascination with the woman who had seduced him on the spot but also his desire to escape the grip of someone who for the first time could intellectually aspire to be his equal Dora would appear in his works as a female Minotaur a Sphinx a lunar goddess and a muse Because of her intense artistic sensibility her poetic gifts and her ability to participate in suffering she was especially qualified to resonate Picasso s own inner torments during these troubled years
