**Beyond Death and Exile** Louis Stein,1979 *Bulletin International Bureau of the American Republics*,1892  
*Bulletin* ,1892 *Paul and the Resurrection of Israel* Jason A. Staples,2023-11-23 The gospel promoted by Paul has for many generations stirred passionate debate That gospel proclaimed equal salvific access to Jews and gentiles alike But on what basis In making sense of such a remarkable step forward in religious history Jason Staples reexamines texts that have proven thoroughly resistant to easy comprehension He traces Paul s inclusive theology to a hidden strand of thinking in the earlier story of Israel Postexilic southern Judah he argues did not simply appropriate the identity of the fallen northern kingdom of Israel Instead Judah maintained a notion of Israel as referring both to the north and the ongoing reality of a broad pan Israelite sensibility to which the descendants of both ancient kingdoms belonged Paul s concomitant belief was that northern Israel s exile meant assimilation among the nations effectively a people s death and that its restoration paradoxically required gentile inclusion to resurrect a greater Israel from the dead

**Died in Exile** Geo'Ben Ezeani,1998 To the end of the third century Louis Duchesne,1909 The Antiquary ,1873 Did Jesus Rise from the Dead? Matthew Levering,2019-02-21 The Resurrection of Jesus is at the very root of Christian faith without belief in Jesus Christianity dies In this thought provoking work Matthew Levering defends the credibility of the claim that Jesus rose from the dead Drawing on the work of N T Wright Levering shows that the historical evidence vindicates this assumption and reveals that the Gospels were backed by eyewitnesses who were living and telling their stories even during the time of the writing of the Gospels The author also emphasises the importance of evaluating the Old Testament to validate Jesus Resurrection By highlighting the desire both in the ancient world and now to make the Resurrection more comprehensible by spiritualizing it Levering argues that the fact that the disciples themselves did not do this provides a further clue to reliability Finally the author addresses the question of why Jesus does not continue to show himself in his glorified flesh after his resurrection which is often seen as a strong case for scepticism However he shows that Jesus entire mission is predicated upon helping us to avoid cleaving to the present world over God He is leading us to where he is the kingdom of God the beginning of the new creation at the Father s right hand By developing these arguments for the historical reality of Jesus Resurrection this ground breaking study expertly draws together historical and theological reasons for believing that Jesus Resurrection happened
