Diefenbaker Remembering The Chief:

Diefenbaker Thad McIlroy,1984-01-01 *The Chief* Thomas Van Dusen,1968 Familiar to three generations of Canadians John Diefenbaker is perhaps the most widely known and most indefatigable of all Tory politicians But like so many famous men of our era his public image is more popular than the man himself his eccentricities more readily grasped than the essence of his personality and achievement In this portrait of Mr Diefenbaker based on the author s many years of personal acquaintance with the Chief Tom Van Dusen clarifies for history and for us the character of one of Canada s greatest statesmen Mr Diefenbaker s political image has tended to obscure that of the man He has been depicted and interpreted most often by those whose interest was to slay a dragon rather than portray a human being That Mr Diefenbaker was and is intensely human all those who know him will attest In the Opposition year fighting for his greatest speeches and as his political power waned his personal stature increased He became a national institution Whatever may be the opinion of John Diefenbaker s place in posterity none can decry the magnitude and dimensions of his impact Here Van Dusen traces the Chief s career from the first Conservative victory in 1958 to his final defeat at the 1967 convention Concentrating on the years in Opposition he describes the fiery orator in the House his heartache over the Munsinger Inquiry the year of fighting not only the Government but a growing dissidence within his own ranks And for the first time Van Dusen reveals the background to the Munsinger Case levelling an accusing finger at the Spence Commission an inquisitorial body of a type previously unheard of in a democratic country Here too is an eyewitness account of John Diefenbaker s greatest humiliation the 1966 annual meeting of the Conservative Party when the catcalls of the party he led prevented him from speaking in his own defence Bringing us up to the present Van Dusen tells of how the Chief far from bowing to his critics instead ran for and won his old riding of Prince Albert Saskatchewan This in a year when the Liberals under the magic banner of Pierre Elliott Trudeau swept into power Tom Van Dusen s first hand appraisals of the Chief grew out of a career which consists of ten years as a member of the Parliamentary Press his functions as ministerial assistant in the Diefenbaker Government and his years as executive assistant to the Leader of Her Majesty s Loyal Opposition Publisher *Resisting Rights* Jennifer Tunncliffe,2019-02-15 From 1948 to 1966 the United Nations worked to create a common legal standard for human rights protection around the globe *Resisting Rights* traces the Canadian government s changing policy toward this endeavour from initial opposition to a more supportive approach Jennifer Tunncliffe takes both international and domestic developments into account to explain how shifting cultural understandings of rights influenced policy and to underline the key role of Canadian rights activists in this process In light of Canada s waning reputation as a traditional leader in developing human rights standards at the United Nations this is a timely study Tunncliffe situates policies within their historical context to reveal that Canadian reluctance to be bound by international human rights law is not a recent trend and asks why governments have found it important to foster the myth that Canada has been at the forefront of international human rights policy Canadian
