Food and Nutrition Controversies Today Myrna Chandler Goldstein, Mark A. Goldstein MD, 2009-04-30 Is any food safe Will mad cow disease kill us all How many calories are really in your restaurant Caesar salad Modern consumers are besieged with conflicting messages about food and nutrition making it difficult for the lay person to know what to believe This no nonsense resource explores the latest controversies in the field of food and nutrition presenting readers with the varying opinions and underlying facts that fuel these debates Fifteen chapters focus on hot topics like organic food bottled water and deadly bacterial outbreaks as well as lesser known issues such as food irradiation vitamin supplementation animal growth hormones and more One of the few resources of its kind this informative reference is perfect for high school and college students and the conscientious consumer Since most books on food and diet approach the issues with a clear agenda this work s unbiased tone and evenhanded treatment of information make it a particularly valuable tool Features include a detailed index 20 black and white illustrations and a rich and deep bibliography of print and electronic materials useful for further research

Aloe Vera Alasdair Barcroft, Audun Myskja, 2003-09 This is Alasdair Barcroft s third book on the subject of aloe vera and he believes the aloe vera topic will run and run as more and more people both lay people and professional healthcare specialists and therapists alike begin fully to understand the powerful healing and health giving properties of this amazing plant He believes that we are still scratching the surface in terms of aloe vera s vast potential Aloe vera has been around for over 4 000 years it has stood the test of time and it still continues to confound and very often baffle the medical profession and scientific researchers with its complex silent actions potent properties and powerful healing benefits Aloe vera truly is nature s silent healer Aloe vera has been known for its wide ranging healing properties for over 4 000 years but it is only in the last few decades that scientists have really begun both to realise and understand the enormous scope of this amazing plant s actions and benefits Medical practitioners vets dentists therapists nutritionists and many others involved in healthcare throughout the world are finally realising that the anecdotal evidence of the powers of this ancient plant th

Pregnancy, Childbirth, and the Hallelujah Diet Olin Idol, Olin Idol, N.D., C.N.C., 2002 Olin Idol acquired an interest in health and nutrition over 30 years ago while serving in the military At that time he began using a multitude of vitamin and mineral supplements and distilled water while continuing to eat the typical American Diet This regime was maintained faithfully until the early 90 s when he read a book by Rev George H Malkmus entitled *Why Christians Get Sick* The impact of this book on his lifestyle and diet was tremendous the dietary supplements were tossed aside as was the Standard American Diet SAD He embraced the Hallelujah Diet and lifestyle While he had no major physical problem himself the little aches and pains associated with aging life long sinus problems and headaches and stomach problems simply disappeared Olin had accepted Christ as his personal Saviour at the age of 14 After his discharge from the military in 1972 he attended college where he graduated with a degree in Religion with the intent of entering the ministry Just prior to enrolling in seminary a chain of events in his personal life seemed to close the door to a

full time ministry While taking advantage of various opportunities to preach and teach it wasn't until after attending the Hallelujah Acres Health Ministers training program that he developed his own health ministry He began teaching others the basic essential of the Hallelujah Diet and lifestyle while at the same time continuing his personal studies in nutrition Ultimately he earned his N D degree and subsequently attained Certification as a Nutritional Consultant C N C by The American Association of Nutritional Consultants
