Differentiation And Diversity In The Primary School:

Differentiation and Diversity in the Primary School Eve Bearne, 2006-05-09 Differentiation is a key part of effective teaching structuring learning experiences to suit the needs of the individual child plays a major part in the quality of the education that child receives However even experienced teachers can often struggle to achieve this ideal when considering the needs of a class which is likely to include pupils across the whole ability range from students with learning difficulties through to gifted children Written by practising teachers this collection examines the definitions and scope of differentiation looks at the structuring and management of learning activities within the curriculum areas of key stages 1 and 2 shows how teachers can provide equal access to the curriculum for all children whilst also meeting government requirements discusses issues of assessment describes how schools can construct a whole school policy and approach for differentiation Using case studies and examples this book will lead teachers to reflect on their current practice whilst also containing practical advice which will enable them to improve

Learning to Teach in the Primary School James Arthur, Teresa Grainger, David Wray, 2006 This new textbook provides support to student teachers on primary ITT BEd and PGCE courses It supplies a practical introduction to the teaching skills as well as the theory underpinning them

Learning to Teach in the Primary School Teresa Cremin, James Arthur, 2014-02-24 Flexible effective and creative primary school teachers require subject knowledge an understanding of their pupils and how they learn a range of strategies for managing behaviour and organising environments for learning and the ability to respond to dynamic classroom situations This third edition of Learning to Teach in the Primary School is fully updated with reference to the new National Curriculum and has been revised to provide even more practical advice and guidance to trainee primary teachers Twenty two new authors have been involved and connections are now made to Northern Irish Welsh and Scottish policies In addition five new units have been included on making the most of your placement play and exploration in learning behaviour management special educational needs phonics With Masters level reflective tasks and suggestions for research based further reading the book provides valuable support to trainee teachers engaged in learning through school based experience and through reading discussion and reflections as part of a teacher education course It provides an accessible and engaging introduction to knowledge about teaching and learning that every student teacher needs to acquire in order to gain qualified teacher status QTS This comprehensive textbook is essential reading for all students training to be primary school teachers including those on undergraduate teacher training courses BEd BA with QTS BSc with QTS postgraduate teacher training courses PGCE SCITT and employment based teacher training courses Schools Direct Teach First plus those studying Education Studies This textbook is supported by a free companion website with additional resources for instructors and students and can be accessed at www.routledge.com/cw/Cremin
