MASCULINITY

A STUDY OF COLLEGE YOUTH

MIRRA KOMAROVSKY

Introduction by Michael S. Kimmel

Dilemmas Of Masculinity

Gregory Rochlin

Dilemmas Of Masculinity:

Dilemmas of Masculinity Mirra Komarovsky, 2004 First Published in 1976 *Dilemmas of Masculinity* takes a rare look at the immediate impact on masculinity of the women's movement The book is informed by research carried out during 1969-1970 when Mirra Komarovsky was teaching Sociology at Barnard College It offers a unique insight into the early impact of the women's movement on college aged men *The Masculine Dilemma* Gregory Rochlin, 1980-01-01 *Redeeming Men* Stephen Blake Boyd, W. Merle Longwood, Mark William Muesse, 1996-01-01 Contributors to this book historians biblical specialists theologians ethicists and scholars of comparative religions examine the relationship between religious tradition and manhood The essays cover a broad range of topics from the dynamics of power in shaping masculine identity to the role religion plays in shaping masculine identity to the experience of myth ritual spiritual discipline and community in the lives of men *Cool Pose* Richard Majors, Janet Mancini Billson, 1993-08 Traces the history of black men in America using a tough guy image to obscure their anger and disappointment over their roles in society back to their origins in Africa and the slave era *Concepts of Masculine Camaraderie in Films and Screenplays by David Ayer* Matthias Kreuter, 2018-05-04 Master's Thesis from the year 2017 in the subject Communications Movies and Television grade 1-3 University of Cologne Englishes Seminar language English abstract The discrepancy between patriarchy's prohibition of homosocial affection and its tendency to produce homo social institutions like all male sports teams or military is striking While the new millennium has seen several representations and filmic negotiations of this force field few films have focussed as much on exactly this combination of or conflict between the male ego attitude and camaraderie as the works written and directed by David Ayer A glance at criticism of Ayer's films supports this claim While many call him a macho helmer Ayer is equally often recognized for his instinctive feel for male relationships their language and intimacy This thesis will review David Ayer's stories screenplays and films focussing on masculine camaraderie homosocial bonding and the relationships of its characters in an attempt to get a deeper sense of the ambivalence between machismo and male male affection that seems to characterize Ayer's projects *Male Patients* Janet S. Weathers, 2000 **Feminisms in Social Work Research** Stéphanie Wahab, Ben Anderson-Nathe, Christina Gringeri, 2014-07-25 Social work as a profession and academic discipline has long centered women and issues of concern to women such as reproductive rights labor rights equal rights violence and poverty In fact the social work profession was started by and maintained in large part by women and has been home to several generations of feminists starting with recognized first wave feminists This wide ranging volume both maps the contemporary landscape of feminist social work research and offers a deep engagement with critical and third wave feminisms in social work research Showcasing the breadth and depth of exemplary social work feminist research the editors argue that social work's unique focus on praxis daily proximities to privilege and oppression concern with social change and engagement with participatory forms of inquiry place social workers in a unique position to both learn from and contribute to broader social science and

humanities discourse associated with feminist research The authors attend here to their specific claims of feminisms articulate deep engagement with theory address the problematic use of binaries and engage with issues associated with methods that are consistently of interest to feminist researchers such as power and authority ethics reflexivity praxis and difference Comprehensive and containing an international selection of contributions *Feminisms in Social Work Research* is an important reference for all social work researchers with an interest in critical perspectives Discourse as Data Simeon Yates, Margaret Wetherell, Stephanie Taylor, Simeon J Yates, 2001-05-25 A highly effective introduction which gives readers a clear sense of how to analyze discourse data and then employ the analytic approaches in their own research David Silverman Goldsmith's College University of London This workbook will be invaluable for students across the social sciences who need to learn how to analyze discourse Using a step by step approach students are introduced to the principal range of methods for analyzing different types of text taken through key analytic concepts offered specimen analyses and given the opportunity to try out analytic concepts on new data *Discourse as Data* is organized around eight chapters six of which are related to the domains covered in the Reader and top and tailed by two chapters which set up common methodological issues in discourse research relevant to all approaches such as transcription and the application and the critical evaluation of discourse research Though the text will be a perfect companion to the simultaneously published Reader its broad coverage combined with didactic practical guidance should make this important reading for any student or researcher wishing to learn more about discourse analysis This book will be ideal as a teaching tool and an invaluable aid on discourse analysis courses which have a practical content most notably within the fields of psychology cultural and media studies sociology and linguistics This book is a course reader for The Open University course Discourse Analysis D843 **A New Psychology Of Men** Ronald Levant, William S. Pollack, 1995-03-23 By synthesizing the latest research clinical experience and major theoretical perspectives on men and by figuring in cultural class and sexual orientation differences the authors brilliantly illuminate the many variations of male behavior *Routledge Handbook of Masculinities, Conflict, and Peacebuilding* Henri Myrntinen, Chloé Lewis, Heleen Touquet, Philipp Schulz, Farooq Yousaf, Elizabeth Laruni, 2025-01-30 This handbook engages with and broadens current debates on men and masculinities in conflict and peacebuilding Through an expansive range of chapters across a unique array of geographical settings the volume shatters prevailing assumptions about men's relationship to conflict and its wake Situated across scholarship policy and practice the contributions offer new possibilities for a more complex and complete picture of the gendered tapestries of conflict peace and the spaces in between The handbook combines feminist intersectional relational decolonial and queer perspectives on the conceptualisation of masculinities in conflict and peacebuilding This approach provides us with the tools to go beyond direct physical conflict related violence to examine less visible forms of violence and power as well as other ways in which masculinities interact with conflict and peace In doing so the book permits a multi faceted view of men's roles relationships vulnerabilities and non violent agencies in

conflict and peacebuilding across scholarship policy and practice This book will be of much interest to students of gender masculinities peace and conflict studies and international relations Chapter 1 3 9 13 and 30 of this book are freely available as a downloadable Open Access PDF at <http://www.taylorfrancis.com> under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4 0 license Chapters 19 and 25 of this book is freely available as a downloadable Open Access PDF at <http://www.taylorfrancis.com> under a Creative Commons Attribution CC BY 4 0 license

Dilemas de la masculinidad Komarovosky, Mirra, 2024-11-28 Mirra Komarovosky pertenece a una segunda ola de sociólogas cuando el estudio científico de la sociedad ya se había consolidado en la universidad A diferencia de sus antecesoras pudo adquirir una formación académica pero cuando quiso hacer de la sociología su actividad profesional se enfrentó a múltiples obstáculos porque como le había advertido su maestro William Ogburn era mujer juda e inmigrante A pesar de ello fue investigadora de la New School for Social Research donde colaboró con Max Horkheimer y con Paul Lazarsfeld y realizó su tesis doctoral sobre los efectos de la Gran Depresión en la autoridad masculina en el seno de la familia Posteriormente se incorporó al Barnard College la universidad femenina asociada a Universidad de Columbia donde llegó a ser catedrática y a donde volvió en 1979 después de jubilarse como profesora emérita para crear un programa de estudios de las mujeres el segundo de todas las universidades norteamericanas El tema central de su trabajo sociológico son los roles de género que estudió de forma diferenciada para la clase media y la clase obrera En el contexto hegemónico del estructural funcionalismo a mediados del siglo XX la perspectiva de Komarovosky era profundamente heterodoxa Frente a la idea dominante de que los valores y las formas de vida de las clases medias representaban el conjunto de la sociedad norteamericana mostraron profundas divergencias y las escasas oportunidades que tenían quienes formaban parte de las clases bajas aun siendo blancos protestantes y nativos Los roles masculinos y femeninos de los que trata este libro fueron estudiados por la autora en contextos sociales distintos Los hombres jóvenes estudiantes de una universidad progresista en los años setenta se enfrentaban a múltiples dilemas Los viejos roles en los que habían sido educados no se adecuaban a los nuevos comportamientos de unas generaciones de estudios que ya no tenían como referente la familia teorizada por Talcott Parsons en la que les correspondía el papel de madres y amas de casa

The New Men's Studies Eugene R. August, 1994 Contains some 1000 annotated entries that describe books about men Coverage includes men's awareness health rights heterosexuality and homosexuality patriarchy and minority males Each entry describes the book's content and where appropriate its political stance

Whitening Race Aileen Moreton-Robinson, 2004 *Whitening Race* comes to fruition at a time in world history and global politics when questions about race require critical investigation and engagement Since the 1990s international scholars have developed a powerful cultural critique by making whiteness an analytical object of research Whiteness has become the invisible norm against which other races are judged in the construction of identity representation subjectivity nationalism and the law With its focus on Australia the book engages with relations between migration

Indigenous dispossession and whiteness It creates a new intellectual space that investigates the nature of racialised conditions and their role in reproducing colonising relations in Australia Aileen Moreton Robinson has brought together scholars from a range of disciplines philosophy cultural and gender studies education social work sociology and literary studies All engage critically with the location of the social and discursive construction of whiteness **Working with Offenders** Tim May, Antony A Vass, 1996-04-05 The papers in this collection examine the knowledge skills and values which are needed by those working as probation officers and social workers and provide a critical appraisal of the policies and requirements which guide those roles *Ernest Hemingway's A Farewell to Arms* Charles M. Oliver, 2005 Discusses American writer Ernest Hemingway and his novel *A Farewell to Arms* Presents the background of the work the history of its writing the reception to it and its reputation Gender and Research: Men's studies, queer theory, polyvocality Sara Delamont, Paul Atkinson, 2008 For the past thirty years there have been vigorous debates about the roles played by gender sexuality and sexual orientation in research This collection brings together the debates together set them into their historical and theoretical context and deal with the major criticisms and refutations A particular strength of this collection is that it will available a key sources otherwise scattered and hard to obtain Volume I discusses three sub themes the context in which gender became a matter of concern for researchers the context in which feminist methods were developed and the re discovery of the methodological work of well known women such as Jane Addams and Florence Nightingale Volume II looks at research that has been conducted with explicit awareness of gender Volume III focuses on the pioneering work of innovative scholars who argued for feminist methods in the years after 1950 It then goes on to investigate research that defended and debated the formulations of feminist methods Finally volume IV explicitly relates the themes of Queer Theory Subaltern Theory and Polyvocality themes that evolved with feminist methods to those topics showcased in the other three volumes **The Hemingway Review** ,2001 **Books in Print** ,1991 Psychology and Women Jeanne E. Gullahorn, 1979 **The Educational Record** Samuel Paul Capen, Charles Riborg Mann, George Frederick Zook, 1977 One number annually includes the annual report of the President of the American Council on Education
