Jalen Waltman's Complete Lesson Plans for the TPRS Classroom Spanish 1B Jalen Waltman,2005-08-15 Jalen Waltman s original Spanish 1A and 1B 2005 Version books were written for middle school level 1 Spanish 1A is for first semester middle school level 1 and 1B is for second semester middle school level 1 These were the first Spanish 1 lesson plan books I wrote while I was teaching 6th 7th and 8th grade Spanish at the middle school level The vocabulary list is shorter and more simplified than my newer high school Spanish 1 books and is loosely based on the old Dime Uno textbooks published by McDougal Littell in the 90 s The skits are more geared for middle school students sense of humor with fewer dating jobs cars stories than my newer 2009 Spanish 1 books which include completely new skits none repeated from these 2005 books These older books are more homemade and include more hand drawn pages and activities than my newer stuff but the skits games and other activities still get rave reviews so I m still selling them If you re teaching middle school and you need lessons that don t repeat the skits for Spanish 1 at the high school level then these books are a good bet The lessons are designed to get students speaking and writing basic Spanish with enthusiasm and confidence by the end of the first semester primarily by acquiring vocab sets with skits and readings Included are lessons on basic greetings and introductions

descriptions of people subject and object pronouns and basic verbs like tener ser estar and ir Vocab sets are taught with TPR and skits and reinforced with page long Spanish readings By the end of these level 1 lessons most students should be writing 100 word 10 minute narrative Spanish essays with no dictionary help as well as narrating simple Spanish stories by looking at stick figure drawings and describing what s going on also with no dictionary help The lessons include a complete vocab list by semester daily warm up quizzes skit scripts page long Spanish readings recycling the vocab grammar content of the skit graphic organizers writing activities cooperative learning activities a 9 weeks test and a final exam These lessons are designed so that once you have your copies made you can just flip the pages and teach All masters are included and ready to copy including sub plans Follow Jalen at www.waltmania.com *Virginia Journal of Education* ,1944 *Short Wave Craft* ,1936 **Short Wave & Television** ,1936
