*Die weisse Pyramide* Hartwig Hausdorf,1994      The Ancient Alien Question, 10th Anniversary Edition Philip Coppins,2021-03 Analyzing historical and archaeological evidence Philip Coppins demonstrates that there is substantial proof that our ancestors were far more technologically advanced than in currently accepted and that certain cultures interacted with non human intelligences Our ancestors were clearly not alone Have we been visited by extraterrestrial beings Did these ancient aliens contribute to the birth of human civilization Do our ancient monuments contain evidence of their presence Fifty years after Erich von D niken posed these questions in *Chariots of the Gods* Coppins provides clear concise answers to the great historical enigmas in an accessible readable format This new edition features a preface by Kathleen McGowan along with a new afterword that is the last essay Philip Coppins wrote Book jacket      The The Ancient Alien Question, 10th Anniversary Edition Philip Coppins,2021-03-01 an important and outstanding contribution Erich von D niken bestselling author of *Chariots of the Gods* *The Ancient Alien Question* provides a captivating adventure around the world and sheds an interesting perspective on the Ancient Astronaut Theory Giorgio A Tsoukalos producer of *Ancient Aliens* The Series Philip Coppins covers all the bases on this controversial topic His research is thorough and he addresses each topic with a balanced overview that cuts through the jungle of confusion with a very sharp machete of reason David Hatcher Childress author of *Technology of the Gods* *The Ancient Alien Question* reveals an array of astonishing truths including A radically different understanding of the pyramids and how they were constructed The extraordinary stories behind monuments such as the Nazca lines and Puma Punku How extraterrestrials came to our planet and the evidence that supports this Analyzing the historical and archaeological evidence Philip Coppins demonstrates that there is substantial proof that our ancestors were far more technologically advanced than currently accepted and that certain cultures interacted with nonhuman intelligences Our ancestors were clearly not alone Fifty years after Erich von D niken posed these questions in *Chariots of the Gods* Coppins provides clear concise answers to the great historical enigmas in an accessible readable format Your view of human history will never be the same again      Ancient Aliens Philip Coppins,2014-12-15 Ancient civilizations generated many innovations that are difficult to explain such as the remarkable mathematical accuracy of the pyramids of Giza the man made fertile soil of the Amazon known as terra preta and massive stone monuments too heavy to move in Peru and Lebanon among other places Given that modern science cannot explain these mysterious phenomena one theory holds that ancient aliens were responsible for them This volume examines the credibility of various paranormal hypotheses giving readers the opportunity to explore the greatest puzzles of antiquity      **The Lost Civilization Enigma** Philip Coppins,2012-10-22 An examination of archaeological controversies with arguments showing evidence of prehistoric civilizations not recorded as part of human history Are history books giving us the whole story Or is civilization far more complex and older than we have been taught Our school textbooks barely mention the 6 000 year old Sumerian civilization yet the latest archaeological

findings at sites such as Jericho and most recently Gobekli Tepe in Turkey have been dated to 10 000 BC Civilization goes back at least another 10 000 years if we are willing to believe what our ancestors themselves claimed The Lost Civilization Enigma reveals the truth about Lost magnitudes to known cultures such as the Bosnian Pyramids and the civilization of Old Europe The fabled lost golden cities of South America and the Amazon which are slowly being rediscovered Fascinating examples of lost technology such as the Antikythera Device Atlantis and the fact that it was a real civilization Analyzing the historical and archaeological record best selling author Philip Coppens demonstrates that there is substantial evidence that civilization is far older far more advanced and far more special than is currently accepted Clearly our history books have left out a great deal

Theories and Texts Walter Hölbling, 2007 Theories and Texts a guide written by students for students explores the critical ideas of twelve of the most influential philosophers of the last 150 years Marx Freud Bakhtin Lacan Derrida Barthes Foucault Bhaba as well as a variety of feminist critics Kristeva the French feminists black feminists and theological feminists New Historicists and Postcolonialists Carefully digested and then set out in lucid and easily accessible language these essays explain major ideas of each critical approach and exemplify them through practical application to one or more literary texts At a time when theory is on everybody's lips and yet is often more of a deterrent than an attraction for students of literature and culture these essays show how theories can enrich our understanding of literature facilitate our analysis of a particular text elucidate the multiple layers of meaning and thus significantly enhance the pleasure in our acts of reading
