Hitler Youth Michael H. Kater, 2009-06-30 In modern times the recruitment of children into a political organization and ideology reached its boldest embodiment in the Hitler Youth founded in 1933 soon after the Nazi Party assumed power in Germany Determining that by age ten children s minds could be turned from play to politics the regime inducted nearly all German juveniles between the ages of ten and eighteen into its state run organization The result was a potent tool for bending young minds and hearts to the will of Adolf Hitler Baldur von Schirach headed a strict chain of command whose goal was to shift the adolescents sense of obedience from home and school to the racially defined Volk and the Third Reich Luring boys and girls into Hitler Youth ranks by offering them status uniforms and weekend hikes the Nazis turned campgrounds into premilitary training sites air guns into machine guns sing alongs into marching drills instruction into indoctrination and children into Nazis A few resisted for personal or political reasons but the overwhelming majority enlisted Drawing on original reports letters diaries and memoirs Michael H Kater traces the history of the Hitler Youth examining the means degree and impact of conversion and the subsequent fate of young recruits Millions of Hitler Youth joined the armed forces thousands gleefully participated in the subjugation of foreign peoples and the obliteration of racial aliens Although young they committed crimes against humanity for which they cannot escape judgment Their story stands as a harsh reminder of the moral bankruptcy of regimes that make children complicit in crimes of the state *Alexander*

Schmorell Elena Perekrestov, 2017-03-01 At the height of World War II a small band of students in Munich Germany formed a clandestine organization called the White Rose which exposed the Nazi regime's murderous atrocities and called for its overthrow In its first anti Nazi tract the group wrote Nothing is so unworthy of a civilized nation as allowing itself to be governed without opposition by an irresponsible clique that has yielded to base instinct The students risked everything to struggle against a world that had lost its moorings Early in 1943 key members of the group were discovered and executed Among those put to death was Alexander Schmorell a young man of Russian birth whose family came to Germany when he was a small boy This biography eloquently recounts the journey of an energetic and talented young man who loved life but who deeply inspired by his Orthodox Christian faith was willing to sacrifice it as a testimony to his faith in God that had taught him to love beauty and freedom both of which the Nazis sought to destroy In 2012 the Russian Orthodox Church officially recognized him as a martyr and saint The story of Alexander's life and death is made available to English readers here for the first time vividly illustrated with black and white photographs *The Power of Oral History Narratives* Toni Fuss Kirkwood-Tucker, Frans H.
