Indian Women Writing in English Sathupati Prasanna Sree, 2005 Contributed articles presented at a seminar hosted by Andhra University on 20th century women authors from India *Indian English Literature*

Gajendra Kumar,2001 **The Routledge Encyclopedia of Indian Writing in English** Manju Jaidka,Tej N. Dhar,2023-09-29 Today Indian writing in English is a field of study that cannot be overlooked Whereas at the turn of the 20th century writers from India who chose to write in English were either unheeded or underrated with time the literary world has been forced to recognize and accept their contribution to the corpus of world literatures in English Showcasing the burgeoning field of Indian English writing this encyclopedia documents the poets novelists essayists and dramatists of Indian origin since the pre independence era and their dedicated works Written by internationally recognized scholars this comprehensive reference book explores the history and development of Indian writers their major contributions and the critical reception accorded to them The Routledge Encyclopedia of Indian Writing in English will be a valuable resource to students teachers and academics navigating the vast area of contemporary world literature *Working Mother* ,1985-06 The magazine that helps career moms balance their personal and professional lives Attachment Assessment in treatments, prevention and intervention programs Silvia Salcuni,2015-05-13 Attachment theory assessment and research offers a broad far reaching view of human functioning and it can enrich a psychologist s understanding of subjects and their relational adjustment both in clinical and non clinical settings Ongoing research in attachment has led to a number of individual treatments and prevention and intervention programs The assessment of an individual s attachment organization can play a crucial role in explaining and previewing the unfolding treatment the relational adjustments or concerns and the psychological well being We hope to receive empirical papers that give evidence for the usefulness of attachment assessment in both clinical e g patients with Eating Disorder or Axis II psychotherapy patients or not clinical population e g Adoptive and or foster families or couples Mother infant assessment in prevention field These papers should include methodological issues and information about the participants the methods used to assess attachment the process of scorer training and the availability of the manual used to obtain inter scorer reliability Case studies may be of interest to the extent that they demonstrate the value of a systematic approach to attachment material A range of theoretical perspectives is welcome as well presentation of new emergent tools on attachment Because *Frontiers in Psychology* is an international journal each empirical paper should comment on the international implications of the findings and discuss its cross cultural use Such comments may include for example its linguistic specificity its robustness in translation and the cross cultural generalizability of the constructs and behaviors of the measure and its usual correlates Cross cultural generalizability is not however a requirement **Transforming the Difficult Child** Howard Glasser,Jennifer Easley,1998 Shifting the intense child to new patterns of success and strengthening all children on the inside *Working Mother* ,1985-06 The magazine that helps career moms balance their personal and professional lives *For Mothers of Difficult Daughters* Charney W. Herst,1998-01-25 Do you long for a better relationship with your daughter Do you occasionally feel as though you have failed as a mother or blame yourself because your relationship with your daughter is strained faltering or nonexistent Do you feel

that your daughter is always dissatisfied Or are you smothered by your daughter s dependence Moreover do you feel that the relationship is determined and that there is no chance that it could grow to become an incredibly nurturing friendship Dr Charney Herst and her book *For Mothers of Difficult Daughters* are here to help It is the first mother daughter book that takes the point of view and the side of the mother and it helps you understand your particular bond while providing practical steps toward repairing your relationship with your grown daughter Through over twenty five years of individual counseling as well as her popular group therapy sessions for mothers of difficult daughters Dr Herst has found solutions that work Whether your daughter is dependent dissatisfied or distant Dr Herst believes you should never give up hope In this practical book Dr Herst helps mothers untangle the web of personal history and intense emotion inherent in their relationships with their daughters and take the lead in re pairing this all important bond

Child and Adolescent Development Gary Novak,2004 *Child and Adolescent Development A Behavioral Systems Approach* integrates the views of dynamical systems concepts with a behavioral view of development This combination of perspectives is unique and from it something new emerges a behavioral systems approach to development It is an approach that incorporates both personal and environmental influences and the constant reciprocal interactions between nature and nurture The book emphasizes learning as the major process for change in development and the integration of environmental influences with genetic and historical factors Authors Gary Novak and Martha Pelaez provide a coherent understanding of the learning process in childhood and adolescence and present successful interventions to minimize typical problematic behavior during this period
