**Difficulties and Alleged Errors and Contradictions in the Bible** R. A. Torrey,2017-10-12 This book does not attempt to take up in detail every conceivable difficulty that could be found in the Bible It would take many volumes to do that I have simply taken up those objections of which the modern infidel makes the most and which are most puzzling to many Christians In going around the world I have given people an opportunity to ask questions concerning matters that puzzle them Pretty much everywhere I go the questions are largely the same and in this book I have taken up the questions which have been most frequently put to me or which present apparently the greatest difficulties In regard to the questions which I have not touched upon one can easily see that if so many difficulties are answered which they had supposed were unanswerable the overwhelming probability is that all the other difficulties could be answered also if there were time and space to take them up
