Dilemmas Of Fiscal Reform

Frank Bönker

Dilemmas Of Fiscal Reform:

Issues in Income Tax Reform in Developing Countries ,

The Political Economy of Fiscal Reform in

Central-Eastern Europe Frank Bönker,2006-01-01 Frank Bönker has done a masterful job This is probably the best book available on this important subject and its significance is not limited to studies of postcommunist societies It has important theoretical implications for everyone interested in the Political Economy of Policy Reform perspective within the field of comparative political economy John L Campbell Slavic Review Mexico's Dilemma Roberto Newell G.,Luis Rubio F.,2021-01-07 This book analyzes the crisis Mexico experienced in 1982 on the basis of the historical evolution of Mexico's political and economic structures The author's purpose in writing this book is to provide an interpretation of Mexico's current problems in order to analyze what must be done to solve some profound dilemmas and to restructure Mexican society The main dilemma Mexico faces is its vanishing consensus Comparative International Budgeting and Finance Arigapudi Premchand,Jesse Burkhead,1984-01-01 This first comprehensive collection of comparative budget and financial management experience includes essays on thirteen major industrial and developing countries It provides a fascinating overview of fiscal problems and processes and provides perceptive summaries of the significant features of the budget system in each country

Macroeconomic and Monetary Policy Issues in Indonesia Akhand Akhtar Hossain,2013-08-15 Following the acquisition of its sovereignty from the Netherlands in 1949 Indonesia experienced serious economic and political problems during the 1950s and 1960s before entering a three decade long period of rapid economic growth Hard hit by the financial crisis of the late 1990s Indonesia undertook a wide range of economic and financial reforms These reforms served to prepare it well for the 2007-08 global financial crisis through which Indonesia passed relatively unscathed Drawing on empirical research this book presents a comprehensive empirical study on the key macroeconomic relations and monetary policy issues in Indonesia The book analyses monetary fiscal and exchange rate policies looking at their interactions and impacts on the economy It demonstrates how important macroeconomic management for monetary and financial stability is to sustained national economic growth and development Data from the 1970s is compared and contrasted with 1950s data to analyse macroeconomic policies and issues in an historical context Statistical and econometric techniques are juxtaposed with general empirical results to supplement informative discussion of macroeconomic and monetary developments This book is a useful contribution to studies on macroeconomics and international development as well as Southeast Asian studies

Setting National Priorities Robert D. Reischauer,2010-12-01 The federal policy changes that Congress and the President will have to make as we approach the 21st century will be among the most far reaching since the enactment of the New Deal The scope of legislation before policymakers as they continue their efforts to balance the budget will be vast and many of its elements very technical This new highly accessible book examines the nature of the challenges confronting policymakers the options that are available to address these challenges and the ramifications of the various options This new

book which continues Brookings highly acclaimed and influential Setting National Priorities series will serve as a guide for understanding and evaluating proposals of the next Congress and the new administration It is also designed to inform the policy debate during the presidential election Edited by Robert Reischauer one of the nation s most noted budget experts the book covers such critical issues as prospects for economic growth how to reduce domestic discretionary spending how to restructure Medicare how much to lower the safety net how to reshape national security for the post Cold War world whether to transform the tax system and how to prepare for the retirement of the baby boom generation This book will be extremely useful for citizens anxious to make sense out of the campaign rhetoric journalists attempting to explain the issues at play and students of public policy public health political science and economics In addition to Reischauer the contributors include Henry J Aaron Barry Bosworth Gary Burtless David Cutler William G Gale Thomas E Mann Charles L Schultze John D Steinbruner R Kent Weaver and Joshua M Wiener
