Happy Farm* Mark Thomas McDonough, 2019-04-17 On the surface Derrick James is a mild mannered socially awkward
attorney who works a modest federal government job While Derrick lacks any particular legal acumen or academic prowess
and possesses modest legal writing skills everywhere he goes and whatever he does Derrick inevitably and always makes his
way to the top of the pyramid Possessing an unflappable mental skill set and seldom suffering fools lightly he accomplishes
what needs to be done and he does it superbly well much to the chagrin of his peers In the twilight of his legal career Derrick
finds himself working in perhaps one of the most boring brain numbing federal legal jobs one can possibly imagine but it s
inside work no heavy lifting and the pay is pretty good too Finally Derrick relaxes satisfied with who he and where he is Life
reaches a comfortable working rhyme Both daughters are in college After many down years he is finally setting aside some
extra money for retirement Life is good that is right up to the very moment that a group of jealous federal supervisors and co
workers ban together forcing him to accept a forced early retirement Now having abundant free time Derrick travels the
world begins a get out of debt project and ponders how he got to here In doing all of this he constantly runs into the ghosts of
his past most of which is rooted in his ill fated youth spent growing up in a Catholic Orphanage which he facetiously
nicknames The Happy Farm Within the realm of his forced retirement and even as life s ghosts taunt him Derrick finds that
truth and hindsight are not necessarily friends but with enough time and grit he finds that by accepting his past he can finally
accept his present and in doing so he finally says good bye to all the enemies all the friends and all the ghosts that haunt him
