How to Sell a Massacre Peter Charley, 2020-08-01 One Nation the NRA and 20 million inside journalism s most audacious sting By the mastermind who infiltrated the NRA and One Nation and based on the award winning documentary seen on ABC TV In 2019 the ABC aired an explosive investigative documentary entitled How to Sell a Massacre The result of an audacious three year infiltration of the US National Rifle Association the documentary revealed how One Nation solicited donations of up to 20 million from the NRA promising in return to use the balance of power to soften gun laws in Australia Masterminded by veteran Australian journalist Peter Charley the elaborate sting saw Australian businessman Rodger Muller go undercover as the head of a fake Australian pro gun advocacy group But the tactics used by Charley to expose both One Nation and the NRA drew criticism from some Now in his book How to Sell a Massacre Peter Charley gives an inside account of the sting drawing on more than 40 years reporting to explore how journalism has changed and to make sense of why in a post truth environment he felt it necessary to set a trap to catch the truth Charley draws on previously unreleased transcripts of covertly recorded meetings between the NRA and One Nation to give graphic details of the undercover operation At the same time he reflects on a long and distinguished career and how the role and methods of journalism have had to change and adapt in a post truth world Set during the period of Donald Trump s rise to power and the US s worst mass shootings including Las Vegas and Orlando How to Sell a Massacre reads like a pacey spy thriller with a deadly truth at its heart that an Australian political party would seek foreign money in a bid to seize power and destroy the gun laws that keep Australians safe The Delineator R.
