Brookhaven College

Instructions (Read first!)

A total of 20 pts (extra credit) may be earned by a student in biology for science majors. If a student has already earned up to 20 pts, then no more extra credit may be given to the student. There are several opportunities to obtain the credit, each is listed below. Enrichment credit points will be added to the total number of points earned in the lecture and lab at the **end of the course**. Earning the maximum 20 extra credit points will result in a 2.0% increase in the final course grade.

Extra Credit opportunities are due on the date indicated, or if no date is provided, must be submitted in person to your instructor by the last day of lecture. Extra credit submitted past due or the week of finals will NOT be accepted.

For each extra credit opportunity, you must follow the directions provided. If directions are not followed, your instructor reserves the right to award partial or no points for the assignment.
