1700 Scenes From London:

1700 Maureen Waller, 2001 More than a capital city Londoners had witnessed the unthinkable the public execution of a king at Whitehall Thousands had died in the Plague of 1665 then the Great Fire of 1666 But from the ashes rose a modern city rebuilt with the shining dome of Christopher Wren's St Paul's Cathedral symbolising a new strength and confidence London with a population of over half a million was now Europe's largest richest and most cosmopolitan city Maureen Waller describes a familiar yet alien world Using anecdotes detail and amusing contrasts she draws on court records newspapers and recorded eyewitness accounts to create a vividly colourful vision of a city at a unique moment in its history **London and the Seventeenth Century** Margarette Lincoln, 2021-02-23 The first comprehensive history of seventeenth century London told through the lives of those who experienced it The Gunpowder Plot the Civil Wars Charles I's execution the Plague the Great Fire the Restoration and then the Glorious Revolution the seventeenth century was one of the most momentous times in the history of Britain and Londoners took center stage In this fascinating account Margarette Lincoln charts the impact of national events on an ever growing citizenry with its love of pageantry spectacle and enterprise Lincoln looks at how religious political and financial tensions were fomented by commercial ambition expansion and hardship In addition to events at court and parliament she evokes the remarkable figures of the period including Shakespeare Bacon Pepys and Newton and draws on diaries letters and wills to trace the untold stories of ordinary Londoners Through their eyes we see how the nation emerged from a turbulent century poised to become a great maritime power with London at its heart the greatest city of its time Libertine London Julie Peakman, 2024-06-05 An eye opening and richly detailed history of women's sexuality that upends entrenched perceptions of the long eighteenth century Libertine London investigates the sex lives of women throughout the period 1680 to 1830 known as the long eighteenth century The book uncovers the various experiences of women whether as mistresses adultresses or as participants in the sex trade From renowned courtesans to downtrodden streetwalkers it examines the multifaceted lives of these women within brothels on stage and even behind bars Based on new research in court transcripts asylum records magazines pamphlets satires songs theater plays and erotica Libertine London reveals the gruesome treatment of women who were sexually active outside of marriage Julie Peakman looks at sex from women's points of view undercutting the traditional image of the bawdy eighteenth century to expose a more sordid side which often left women distressed ostracized and vilified for their sexual behavior The Great Fire of London Neil Hanson, 2010-01-26 Acclaim for The Great Fire of London Popular narrative history at its best well researched imaginatively and dramatically written The author marshals his story and his mass of contemporary quotations with great skill Times Literary Supplement The brilliance of its narrative chapters a marvelous eye for evocative detail Hanson's prose is animated by the ferocious energy of the fire and seems to be guided by its inexorable movement He creates the literary equivalent of the special effects in a disaster movie A rich mixture of imagination and research The Daily Telegraph London

He writes with knowledge and verve As if making a television documentary on a natural disaster he includes a gripping technical chapter on the mechanism and chemistry of combustion This works brilliantly The book gains immeasurably from the author s eye for detail and from his understanding of the beliefs and prejudices of the day Informative and lively account The Sunday Times London The best depiction of the Great Fire seen to date He manages to describe not only the atmosphere of the event itself but also the experience of living in seventeenth century Britain Soho Independent A riveting book for those who like their history with a bit of mystery The Brisbane News A rollicking good yarn The Age Melbourne Blends high class original research with a narrative style that mimics fiction Horrific subjects have served this man well and he has a knack for plugging into the dark themes that run like molten rivers beneath our social veneer New Zealand Herald Neil Hanson s descriptions of the inferno are like CNN reports from Kosovo Camden New Journal It s not the technical data which makes the book so riveting though It s the flair with which Hanson invests his account with qualities usually reserved for novels narrative drive persuasive character sketches vivid scene stealing Sunday Star Times New Zealand [The Poetry of Westminster Abbey](#) Charles W. Spurgeon,2008-03-17 For centuries Westminster Abbey has inspired and challenged poets to try to capture and contain the spirit of its haunting beauty and worship full reverence This anthology includes poems written between 1413 to the present day poems which contribute to the greatest epic imaginable in English Westminster Abbey

In September 1666 the Great Fire destroyed four fifths of the ancient City of London within three days All that had been familiar settled known was suddenly and entirely swept away Londoners faced an emptiness that was not only physical but also historical social financial and conceptual The Literary and Cultural Spaces of Restoration London is the first study to situate the literature of Restoration and early Augustan England within the historical and cultural contexts of the rebuilding of London after the Great Fire Cynthia Wall relates the marked topographical specificity of plays poems and novels to a wider cultural network of responses to changing perceptions of urban space and she shows how the literatures of the period along with the surveying mapping rebuilding and official redescribing of the city attempt to reinvest the city with comprehensible

meaning and create new spaces for new genres

London's Underworld Fergus Linnane, 2003 London is a city that thrives on crime and the myths of crime as its violent history and the colourful portrayal of criminals in fiction from Defoe to Dickens attest London's Underworld examines the murky underside of the capital surveying three centuries of vice and crime and a variety of perilous underworlds Fergus Linnane's writing is full of vivid detail as he describes the city's underworld characters such as the loathed murderous eighteenth century bounty hunter Jonathan Wild the Italian Sabini gang which dominated London in the early twentieth century and the more recent Billy Hill Jack Spot Frankie Fraser Kray twins and Adams family London's Underworld takes us on the nightmarish last journeys of condemned criminals to the gallows at Tyburn We enter death trap eighteenth century prisons one of which the novelist Henry Fielding described as a prototype of hell We walk the crowded streets of Victorian London with its swarms of prostitutes and follow the ingenious villains who carried out the first great train robbery in 1854 We see the rise and fall of the interwar racecourse gangs and the bloody battle for control of the West End This fascinating book containing 25 images illustrates how crime in the capital has evolved from the extreme violence of the early eighteenth century to the vastly more complex and lucrative but no less brutal gangland of today Book jacket London, 2008

THE LONDON QUARTERLY REVIEW, 1875

The House by the Thames Gillian Tindall, 2006 A masterpiece of miniaturist social history In closely examining the history of one house 49 Bankside Gillian Tindall tells the story of Southwark and the south bank the river Thames and indeed of London itself 49 Bankside is an 18th century house the last genuine survivor of what was once a long ribbon of houses overlooking the water It still stands opposite St Paul's Cathedral and next door to the re-built Globe theatre and the new bridge which takes pedestrians across the Thames to Tate Modern Earlier there was a medieval inn the Cardinal's Hat on the same site Gillian Tindall makes the whole area and its long history live again Here are the bear baiting pits and the brothels the priests fish ponds and the bishop's underground prison the Clink the theatres of Shakespeare's time and the iron and coal businesses of the industrial revolution Rich with anecdote and colour empathetic scholarly and textured this is social history at its most enjoyable Gillian Tindall excels at description and picking out the most fascinating details Celebrities from history walk through her pages but her book is above all about the families who lived in the house and worked nearby about those who made their living in boats on the Thames a living constantly threatened by the building of bridges or the coming of steam ships about keeping 19th century London supplied with gas about girls at home sewing military uniforms Readers will identify with these characters from the past and will become deeply involved in the stories of their daily lives
