## 1797 Nelsons Year Of Destiny:

1797 Colin White,2001 A detailed account based upon recently discovered primary sources of a significant year in the life of this revered soldier *Nelson's Battles* Nicolas Tracy,2008-07-24 Horatio Nelson was a hero from the time when his dramatic initiative won the battle of St Vincent in 1797 while his last battle at Trafalgar reduced the enemy naval forces so thoroughly that they were no longer able to have any bearing on the outcome of the war As well as being a brilliant study of those naval battles which played such an important role in Napoleon s defeat it also makes a close study of the admiral s art which during the last years of the eighteenth century developed faster than at any time since the previous century and led to Britain s mastery of the seas for more than 100 years The Seven Years War and the War of the American Revolution stimulated the development of new ideas and the experience gained from them as well as the developments in ship design and signalling and the perfection of drill transformed naval methods Nelson became a master of them all This technical prowess combined with a remarkable ability to lead his men and his genius for making decisive moves the Nelson touch made him the consummate master of naval warfare Highly readable concise and insightful this new edition will prove a popular choice for those seeking an introduction to naval warfare in the age of sail **Nelson** Andrew Lambert,2010-12-09 Fascinating Shot through with fresh insights No previous biography has attempted anything so comprehensive Observer Nelson is a thrilling new appraisal of Horatio Nelson the greatest practitioner of naval command the world has ever seen It explores the professional personal intellectual and practical origins of one man s genius to understand how the greatest warrior that Britain has ever produced transformed the art of conflict and enabled his country to survive the challenge of total war and international isolation In Nelson Andrew Lambert described by David Cannadine as the outstanding British naval historian of his generation is able to offer new insights into the individual quality which led Byron rightly to celebrate Nelson s genius as Britannia s God of War He demonstrates how Admiral Nelson elevated the business of naval warfare to the level of the sublime Nelson s unique gift was to take that which other commanders found complex and reduce it to simplicity Where his predecessors and opponents saw a particular battle as an end in itself Nelson was always a step ahead even in the midst of terrifying close quarters action with officers and men struck down all around him Excellent Worthy of the stirring events it celebrates Independent [Nelson's Right Hand Man](#) E.J. Hounslow,2016-09-05 This is the story of Thomas Fremantle one of Britain s greatest naval captains and Lord Nelson s closest friend and ally The two bound in friendship were part of a Navy that ensured Napoleon could never invade Britain The naval campaign culminated in the great victory at Trafalgar and with the fleet in mourning for the loss of Admiral Nelson it was Thomas Fremantle who towed the shattered Victory and Nelson s body back to Gibraltar Promoted to Vice Admiral Fremantle liberated the whole of the Adriatic from the clutches of the French revolutionary government and in doing so captured many ships thus earning him and his family a fortune in prize money Yet there is more to Thomas Fremantle s story than his accomplishments at sea He was
