**The Early Dos Passos Reader** John Dos Passos,2013-04-19 This volume contains the following works of John Dos Passos Three Soldiers One Man s Initiation 1917 Rosinante to the Road Again A Pushcart at the Curb It also contains a nineteenth century polemic by his father John Randolph Dos Passos about why the United States should recognize Cuba John Dos Passos was born in Chicago on January 14 1896 His father was John Randolph Dos Passos many people get confused when making Internet searches for the son who is the more famous author by far The elder Dos Passos was married when the younger John Dos Passos was born out of wedlock Although the father married his son John s mother after the death of his wife in 1910 when the younger John Dos Passos was 14 he refused to acknowledge John as his son until he turned 16 In spite of these familial difficulties the younger John Dos Passos hereinafter referred to as simply John Dos Passos benefitted from an expensive first class education all presumably paid for by his father He enrolled at what now is called Choate Rosemary Hall preparatory school in Connecticut and then traveled with a private tutor on a six month tour to study art architecture and literature After he graduated from Harvard in 1916 he went to Spain where he volunteered as an ambulance driver during World War I before the United States entered the war In 1918 he enlisted in the U S Army Medical Corps During this time he completed a draft of his first novel One Man s Initiation 1917 which began his career as a highly successful writer After he started writing as a career he became friends with Ernest Hemingway and several other writers of the lost generation He soon began to see the United States as two nations one rich and one poor He spent several months in Russia studying socialism in 1928 In the 1930s he served on The American Committee for the Defense of Leon Trotsky the so called Dewey Commission which had been set up following the first of the Moscow Show Trials in 1936 He returned to Spain during the Spanish Civil War but his views on the Communists and Communism had already begun to change Dos Passos broke with Hemingway and others over attitudes towards the war and willingness to lend their names to deceptive Stalinist propaganda He and Hemingway became bitter enemies John Dos Passos would later write I have come to think especially since my trip to Spain that civil liberties must be protected at every stage He continued his career as a writer with the publication of

numerous other books over thirty seven of which were published The last was published in 1970 the year of his death in Baltimore John Dos Passos is probably best known today for his U S A trilogy Unfortunately since these three books were published in the 1930s they do not appear to be available in the public domain in the United States Hence they are not included in this anthology A motivated reader can probably find a version of these books on the Internet In 1947 he was elected to membership in the prestigious American Academy of Arts and Letters John Dos Passos died on September 28 1970 in Baltimore Maryland which is why he is included in the Baltimore Authors series published by AfterMath A final note on his father is in order John Randolph Dos Passos was an authority on trusts and supported many of the most powerful conglomerates and cartels in his writings Not surprisingly given the obviously tense and complex relationship between father and son the younger John Dos Passos wrote in opposition to many of his father s published positions in many of his books For purposes of comparison the arguments of the older Dos Passos about the liberation of Cuba from Spain are included in this volume It appears that his only connection to Baltimore is through his son One Man's Initiation 1917 John Dos Passos,2008-10 John Roderigo Dos Passos 1896 1970 was an American novelist and artist In 1912 he attended Harvard University Following his graduation in 1916 he travelled to Spain to study art and architecture With World War I raging in Europe and America not yet participating Dos Passos volunteered in July 1917 for the S S U 60 of the Norton Harjes Ambulance Corps He worked as a driver in Paris and in north central Italy By the late summer of 1918 he had completed a draft of his first novel Considered one of the Lost Generation writers Dos Passosa first novel One Manas Initiation 1917 was published in 1920 It was followed by an antiwar story Three Soldiers 1921 His major work is the U S A trilogy comprising The 42nd Parallel 1930 Nineteen Nineteen 1932 and The Big Money 1936 Between 1942 and 1945 Dos Passos worked as a journalist covering World War II His other works include A Pushcart at the Curb 1922 Streets of Night 1923 and Journeys Between Wars 1938 **Rosinante to the Road Again** John Dos Passos,2009-10 John Roderigo Dos Passos 1896 1970 was an American novelist and artist In 1912 he attended Harvard University Following his graduation in 1916 he travelled to Spain to study art and architecture With World War I raging in Europe and America not yet participating Dos Passos volunteered in July 1917 for the S S U 60 of the Norton Harjes Ambulance Corps He worked as a driver in Paris and in north central Italy By the late summer of 1918 he had completed a draft of his first novel Considered one of the Lost Generation writers Dos Passos first novel One Man s Initiation 1917 was published in 1920 It was followed by an antiwar story Three Soldiers 1921 His major work is the U S A trilogy comprising The 42nd Parallel 1930 Nineteen Nineteen 1932 and The Big Money 1936 Between 1942 and 1945 Dos Passos worked as a journalist covering World War II His other works include A Pushcart at the Curb 1922 Streets of Night 1923 and Journeys Between Wars 1938 *Back Home in 1919 ...* John Dos Passos,1933 John Dos Passos John H.
