1922 A Vintage Year:

Literary New Orleans in the Modern World Richard S. Kennedy, 2006-03-21 Cleanth Brooks may have summarized it best New Orleans has become one of the cities of the mind and is therefore immortal Its writers make it so Like Richard S Kennedy s earlier collection Literary New Orleans these nine essays explore the belletristic Crescent City its history authors myths and realities This volume focuses on twentieth century New Orleans beginning with modernism s brief blooming in the 1920s followed by the fading of New Orleans s peculiarly dreamy romanticism and the flourishing of a distinctive realism and concluding with a recurrence and transformation of the earlier romantic strain in contemporary Gothic and mystery fiction Literary New Orleans in the Modern World provides chapters in the history of a unique American city written in the very spirit of New Orleans as it has cast its spell on writers
