

1940-1945 World War II

Richard Benjamin Eide

1940-1945 World War II:

Bombing, States and Peoples in Western Europe 1940-1945 Claudia Baldoli, Andrew Knapp, Richard Overy, 2011-01-01

A History of the Mediterranean Air War, 1940-1945 Christopher Shores, Russell Guest, 2025-09-30 In 1943 Allied bombers from Italy launched strategic attacks on Axis oil fields, factories, and Danube supply routes. Following the inter-Allied Casablanca Conference in January 1943, the outline for the Combined Bomber Offensive was agreed and resulted in early February with the Casablanca Directive. This required the progressive destruction and dislocation of the German military, industrial, and economic systems and the undermining of the morale of the German people to a point where their capacity for armed resistance is fatally weakened. This directive was clarified in June when the Combined Chiefs of Staff issued the Pointblank Directive, which stated that the highest priority targets were the fighter aircraft factories to ensure that in the coming invasion of France, the enemy would not have air superiority. When these directives were issued, it was envisaged that, as well as attacks by RAF Bomber Command and the US 8th Air Force based in England, the strategic bomber forces in Italy would begin operations once suitable bases were available. After the Allied landings in Italy and the resulting collapse of the Italian fascist regime, a network of bomber bases was hastily developed. Thus, on 1 November 1943, the US 15th Air Force was formed to conduct the daylight bombing offensive against strategic targets in southern Germany and across southeastern Europe. Key among these were the Rumanian oilfields and traffic along the River Danube. This new formation was joined by the smaller but highly effective 205 Group RAF, which was trained and equipped for night bombing, so mirroring their equivalent British-based formations. The damaging attacks on the Reich's oil supplies and the highly effective Danube mining campaign conducted at night by 205 Group delivered a huge strategic effect. The latter reduced vital oil and goods traffic into the Reich to a trickle but also dislocated the supply and logistics train into the southern part of the Eastern Front, so giving manifest support to the Soviets. In this volume, the early months of this hugely significant air campaign are described in minute and original detail and are accompanied by hundreds of hitherto unpublished photographs. In combating these attacks, Germany's Axis allies, such as Hungary, Rumania, Bulgaria, and Slovakia, were encountered for the first time by the Western Allies.

Allies in War: Britain and America against the Axis Powers, 1940-1945 Mark Stoler, 2022-10-24 Some historians are great because they write great books, others because they write books that need to be written. Mark A. Stoler has done both. *Allies in War* offers an accessible and gracefully written synthesis of the wealth of new and important scholarship addressing American and British grand strategy during World War II. *Allies in War* presents a global overview of Anglo-American cooperation against the Axis powers, with a chronological account of the major diplomatic and military events. It begins with a brief summary of World War I and the interwar years, continues through the capitulation of Japan in September 1945, and concludes with a short discussion of the origins of the Cold War. Stoler's story also covers the world war like a world war. Each chapter covers major developments in every theater. Stoler makes particular effort to recognize the

critical role of the Soviet Union in winning World War II and its impact on Anglo American strategy Allies in War is a versatile work with a lot of uses Both students and professionals will find rewards This volume will be an excellent tool for teaching survey and elective history courses It will also aid in understanding the dynamics that attend coalition warfare The Journal of American History A decided tour de force Stoler provides an excellent and readable overview on a global scale of the interrelated wartime military strategic and diplomatic decisions and contributions of the United States and Great Britain Stoler s forte is elegantly concise syntheses of massive outpourings of scholarship in both military and diplomatic history and judicious balanced and stimulating assessments of often controversial issues Lucid balanced nuanced and acute giving equal space to the wars in both Europe and Asia Stoler s interpretive overview is a valuable and welcome addition to its field The Journal of Military History This is the work of a mature historian comfortably in command of his material using his considerable experience to construct a tightly controlled narrative that carries the reader forward with little effort on his or her part a sure sign of considerable effort on the part of the writer Stoler s book is much more than the synthesis it might appear to be It is a masterly summary of existing scholarship but one enriched by his own knowledge of the archival and secondary material this book shines when it comes to grand strategy the reader wanting a potted and accurate evolution of Anglo American grand strategy will find all he or she will need here The International History Review Mark Stoler is supremely well qualified to undertake this volume Previous studies of Anglo American relations during the Second World War tend to focus on either the war in Europe or the war in the Pacific The originality of Stoler s approach is that he wants to cover both He seeks as well to incorporate the results of relatively recent publications on the Second World War The results are impressive Stoler s writing is a major strength of this book Stoler provides admirable surveys of the major historical controversies of the Anglo American war against the Axis powers such as the efficacy of the Allied strategic bombing campaign the utility of the Italian campaign and the continuing debate over the dropping of the atomic bombs on Hiroshima and Nagasaki Anyone who teaches courses on the history of the Second World War will find this volume a valuable resource The Journal of Modern History Allies in War is a solid survey of the war an effective synthesis of the most troublesome aspects of the special Britain US relationship Naval History Magazine An important new study by one of the leading scholars in the field David Reynolds University of Cambridge [War Baby of the South, 1940-1945](#) Charles W. Grindstaff,1991

Arsenal of World War II Paul A. C. Koistinen,2004 Prolific munitions production keyed America s triumph in World War II but so did the complex economic controls needed to sustain that production Artillery tanks planes ships trucks and weaponry of every kind were constantly demanded by the military and readily supplied by American business While that relationship was remarkably successful in helping the U S win the war it also raised troubling issues about wartime economies that have never been fully resolved Paul Koistinen s fourth installment of a monumental five volume series on the political economy of American warfare focuses on the mobilization of national resources for a truly global war Koistinen

comprehensively analyzes all relevant aspects of the World War II economy from 1940 through 1945 describing the nation's struggle to establish effective control over industrial supply and military demand and revealing the growing partnership between the corporate community and the armed services Koistinen traces the evolution of federal agencies mobilizing for war including the National Defense Advisory Commission the Office of Production Management and the Supply Priorities and Allocation Board and then focuses on the work of the War Production Board from 1942-1945 As the war progressed the WPB and related agencies oversaw the military's supply and procurement systems stabilized the economy while financing the war closely monitored labor relations and controlled the shipping and rationing of fuel and food In chronicling American mobilization Koistinen reveals how representatives of industry and the armed services expanded upon their growing prewar ties to shape policies for harnessing the economy and how federal agencies were subsequently riven with dissension as New Deal reformers and anti New Deal corporate elements battled for control over mobilization itself As the armed services emerged as the principal customers of a command economy the military industrial nexus consolidated its power and ultimately succeeded in bending the reformers to its will The product of exhaustive archival research *Arsenal of World War II* shows that mobilization meant more than simply harnessing the economy for war it also involved struggles for power and position among a great many interest groups and ideologies Nearly two decades in the making it provides an ambitious and enormously insightful overview of the emergence of the military industrial economy one that still resonates today as America continues to wage wars around the globe *The German Northern Theater of Operations, 1940-1945* Earl F. Ziemke, 1960

The Churchill Coalition and Wartime Politics, 1940-1945 Kevin Jefferys, 1991 In this revisionist study Jefferys challenges many long held assumptions about British politics in the period between 1939 and 1945 Drawing on a range of unpublished sources he challenges the notion of consensus as a guiding principle of politics in the 1940s and argues that wartime coalition masked the continuance of profound disagreements about the future direction of economic and social policy

Allied Air Attacks and Civilian Harm in Italy, 1940-1945 Matthew Evangelista, 2022-12-22 Tens of thousands of Italian civilians perished in the Allied bombing raids of World War II More of them died after the Armistice of September 1943 than before when the air attacks were intended to induce Italy's surrender *Allied Air Attacks and Civilian Harm in Italy 1940-1945* addresses this seeming paradox by examining the views of Allied political and military leaders Allied air crews and Italians on the ground It tells the stories of a little known diplomat Myron Charles Taylor military strategist Solly Zuckerman resistance fighter Aldo Quaranta and peace activist Vera Brittain architects and opponents of the bombing strategies It describes the fate of ordinary civilians drawing on a wealth of local and digital archival sources memoir accounts novels and films including Joseph Heller's *Catch 22* and John Huston's *The Battle of San Pietro* The book will be of interest to readers concerned about the ethical legal and human dimensions of bombing and its effects on civilians to students of military strategy and Italian history and to World War II buffs They will benefit from a people focused history that draws on a range of eclectic and rarely

used sources in English and Italian The Open Access version of this book available at www.taylorfrancis.com has been made available under a Creative Commons Attribution Non Commercial No Derivatives 4.0 license

Library of Congress Subject Headings Library of Congress, Library of Congress. Office for Subject Cataloging Policy, 2012 [Hitler's Northern War](#) Adam R. A. Claassen, 2001 Adolf Hitler had high hopes for his conquest of Norway which held both great symbolic and great strategic value for the Fuhrer Despite early successes however his ambitious northern campaign foundered and ultimately failed Adam Claassen for the first time reveals the full story of this neglected episode and shows how it helped doom the Third Reich to defeat Hitler and Raeder the chief of the German navy were determined to take and keep Norway By doing so they hoped to preempt Allied attempts to outflank Germany protect sea lanes for German ships access precious Scandinavian minerals for war production and provide a launchpad for Luftwaffe and naval operations against Great Britain Beyond those strategic objectives Hitler also envisioned Norway as part of a pan Nordic stronghold a centerpiece of his new world order But as Claassen shows Hitler's grand expectations were never realized Gring's Luftwaffe was the vital spearhead in the invasion of Norway which marked a number of wartime firsts Among other things it involved the first large scale aerial operations over sea rather than land the first time operational objectives and logistical needs were fulfilled by air power and the first deployment of paratroopers Although it got off to a promising start the German effort particularly against British and arctic convoys was greatly hampered by flawed strategic thinking interservice rivalries between the Luftwaffe and navy the failure to develop a long range heavy bomber the diversion of planes and personnel to shore up the German war effort elsewhere and the northern theater's harsh climate and terrain Claassen's study covers every aspect of this ill fated campaign from the 1940 invasion until war's end and shows how it was eventually relegated to a backwater status as Germany fought to survive in an increasingly unwinnable war His compelling account sharpens our picture of the German air force and widens our understanding of the Third Reich's way of war [History of the 31st Infantry Division in Training and Combat, 1940-1945](#) United States. Army. 31st Division, 1946 **Library of Congress Catalogs** Library of Congress, 1976 **Corps Commanders of the Bulge** Harold R. Winton, 2007 Study of the Battle of the Bulge **Tracking the Axis Enemy** Alan Harris Bath, 1998 Former US naval intelligence officer Bath describes how his own area before he was in it was as responsible as Allied warships in the successful 1942-43 campaign against German U boats known as the Battle of the Atlantic He describes the cooperation at all levels in all theaters of war and at all points in the cycle from gathering through analysis to dissemination He also considers the naval intelligence in the South Pacific throughout highlighting the contributions of Britain and other Commonwealth states Annotation copyrighted by Book News Inc Portland OR **Subject Catalog** Library of Congress, *Humanities Index*, 1999 *Norway's Press, 1940-1945, During the Occupation* Richard Benjamin Eide, 1948 [Library of Congress Catalog](#) Library of Congress, 1980-07 **Auschwitz 1940-1945** Kazimierz Smoleń, 1978 *Estonia, 1940-1945* Estonian International Commission for the Investigation of Crimes Against

19401945 World War Ii Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In todays fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free 19401945 World War Ii PDF books and manuals is the internets largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they

need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free 19401945 World War Ii PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of 19401945 World War Ii free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About 19401945 World War Ii Books

What is a 19401945 World War Ii PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a 19401945 World War Ii PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a 19401945 World War Ii PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a 19401945 World War Ii PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a 19401945 World War Ii PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" ->

"Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
