1944 World Series:

The Boys who Were Left Behind John Heidenry, Brett Topel, 2006-01-01 When the New York Times sportswriter Arthur Daley called the 1944 St Louis Browns the most astonishing ball club ever to reach the World Series he wasn't handing out bouquets An ill assorted collection of castoffs 4 Fs no accounts farm boys and brawlers with not much more than a few minor league games under their belts the team was playing professional ball for only one reason the best players had been drafted or had enlisted Adding to the drama these misfits were facing the fabled St Louis Cardinals and their MVP Stan Musial one of the greatest hitters in baseball history The story of this unlikely meeting between crosstown rivals dubbed the Streetcar Series because so many fans took the trolley to Sportsman's Park is told here for the first time Mining a treasure trove of coverage including on the spot commentary by the Hall of Fame sportswriter Bob Broeg the authors bring this contest between baseball's David and Goliath vividly to life giving readers a sense of what this suspenseful six day series must have meant both to those on the homefront and U S servicemen around the world A marvel of American sportsmanship patriotism and boyish innocence the Streetcar Series will forever be remembered as the best and the worst of an era long past John Heidenry is a native of St Louis and the founding editor of St Louis Magazine He is the author of *Theirs Was the Kingdom* and *What Wild Ecstasy* Brett Topel is a freelance sports journalist and an adjunct professor of journalism at Adelphi University He is also the art director of *The Week* magazine

Seasons in the Sun Roger D. Launius,2002 The heart of professional baseball if not its roots may be found in the American Midwest especially in Missouri In Seasons in the Sun Roger D Launius offers an excellent overview of the teams pennant races trials and triumphs of the different major league teams that have resided in the state over the years Since 1876 when St Louis became a charter member of the newly formed National League there have also been other major league franchises from less well known leagues in St Louis The St Louis major league baseball experience is not limited to the extraordinary success and fame of the Cardinals who have won more World Series championships than any other National League team St Louis also claims the excellent but short lived Brown Stockings the city s first entry into the National League the American League s Browns who spent most of their existence in the first half of the twentieth century at the bottom of the standings the virtually forgotten Terriers of the Federal League in 1914 1915 and the Maroons of the pre twentieth century National League
