YEAR ZERO  
A HISTORY OF 1945

# 1945 Year Zero

**AW Chickering**

## 1945 Year Zero:

**Year Zero** Ian Buruma, 2013-09-26 Year Zero is a remarkable book not because it breaks new ground but in its combination of magnificence and modesty Wall Street Journal A marvelous global history of the pivotal year 1945 as a new world emerged from the ruins of World War II Year Zero is a landmark reckoning with the great drama that ensued after war came to an end in 1945 One world had ended and a new uncertain one was beginning Regime change had come on a global scale across Asia including China Korea Indochina and the Philippines and of course Japan and all of continental Europe Out of the often vicious power struggles that ensued emerged the modern world as we know it In human terms the scale of transformation is almost impossible to imagine Great cities around the world lay in ruins their populations decimated displaced starving Harsh revenge was meted out on a wide scale and the ground was laid for much horror to come At the same time in the wake of unspeakable loss the euphoria of the liberated was extraordinary and the revelry unprecedented The postwar years gave rise to the European welfare state the United Nations decolonization Japanese pacifism and the European Union Social cultural and political reeducation was imposed on vanquished by victors on a scale that also had no historical precedent Much that was done was ill advised but in hindsight as Ian Buruma shows us these efforts were in fact relatively enlightened humane and effective A poignant grace note throughout this history is Buruma's own father's story Seized by the Nazis during the occupation of Holland he spent much of the war in Berlin as a laborer and by war's end was literally hiding in the rubble of a flattened city having barely managed to survive starvation rations Allied bombing and Soviet shock troops when the end came His journey home and attempted reentry into normalcy stand in many ways for his generation's experience A work of enormous range and stirring human drama conjuring both the Asian and European theaters with equal fluency Year Zero is a book that Ian Buruma is perhaps uniquely positioned to write It is surely his masterpiece *Air University Quarterly Review*, 1979 1945 [Nineteen Forty Five] John Lukacs, 1978 *Victory in Europe, 1945* Arnold A. Offner, Theodore A. Wilson, 2000 In this collection senior scholars explore the transition from war to uneasy peace how and why the war ended as it did whether a different resolution was possible and if the ensuing Cold War was inevitable God & Government Charles Colson, 2010-10-05 How should Christians live their faith in the public arena Twenty years ago the first edition of Chuck Colson's *Kingdoms in Conflict* became a bestseller a must read for people interested in politics and the relationship between church and state Now with a passion for truth and moved by the urgency of the times we live in Colson has written *God and Government* re voicing his powerful and enduring message for our post 9 11 world In an era when Christianity is being attacked from every side books being written charging Christians with being theocrats and trying to impose their views on an unwilling culture what is the message of the Christian church What does the Bible say and what do we learn from history about the proper relationship between faith and culture Appealing to scripture reason and history this book tackles society's most pressing and divisive issues New stories and examples reflect the realities

of today from the clash with radical Islam to the deep division between reds and blues In an era of angry finger pointing Colson furnishes a unique insider s perspective that can t be pigeonholed as either religious right or religious left Whatever your political or religious stance this book will give you a different understanding of Christianity If you re a Christian it will help you to both examine and defend your faith If you ve been critical of the new religious right you ll be shocked at what you learn Probing both secular and religious values God and Government critiques each fairly sides with neither and offers a hopeful fair minded perspective that is sorely needed in today s hyper charged atmosphere

**British Academy Lectures 2014-15** Janet Carsten, Simon Frith, 2016-02-04 British Academy lectures have previously been published in the Proceedings of the British Academy Lectures are now made available in the new open access Journal of the British Academy But they will also be printed in an annual volume This volume publishes lectures from the 2014 and 2015 programmes which were posted to the Journal in 2015

*Catholic Intellectuals and Conservative Politics in America, 1950-1985* Patrick Allitt, 2019-01-24 At the end of World War II conservatism was a negligible element in U S politics but by 1980 it had risen to a dominant position Patrick Allitt helps explain the remarkable growth of the contemporary conservative movement in the light of Catholic history in the United States Allitt focuses on the role of individual Catholics against a backdrop of volatile cultural change showing how such figures as William F Buckley Jr Garry Wills John T Noonan Jr Michael Novak John Lukacs Thomas Molnar Russell Kirk Clare Boothe Luce Ellen Wilson Charles Rice and James McFadden forged a potent anti liberal intellectual tradition *Catholic Intellectuals and Conservative Politics in America 1950-1985* is much more than a history of conservative Catholics for it illuminates critical themes in postwar American society As Allitt narrates the interplay of liberal and conservative politics among Catholics he unfolds a history both intricate and sweeping After describing how New Conservatism was shaped in the 1950s by William F Buckley Jr and an older generation of Catholic thinkers including Ross Hoffman and Francis Graham Wilson Allitt traces the range of Catholic responses to the cataclysmic events of the 1960s the election of John F Kennedy the civil rights movement the decolonization of Africa Supreme Court decisions on school prayer the war in Vietnam and nuclear arms proliferation He shows how the transformation of the Church prompted by the Second Vatican Council not only intensified existing divisions among Catholics but also shattered the unity of the Catholic conservative movement Turning to the 1970s Allitt chronicles bitter controversies concerning family roles contraception abortion and gay rights Next comparing the work of John Lukacs Thomas Molnar Garry Wills and Michael Novak from the 1950s through the 1980s Allitt demonstrates how individual Catholic conservatives drew different lessons from similar contingencies He concludes by assessing recent ideological shifts within American Catholicism using as his test case the conservative resistance to the Catholic Bishops 1983 Pastoral Letter on Nuclear Weapons Offering new insight into the subtle interplay between religion and politics *Catholic Intellectuals and Conservative Politics in America 1950-1985* will be engaging reading for everyone interested in the postwar evolution of American politics and culture

**Armor** ,1978 *Modern Age* ,1985 **Continuity**

,1980 *Germany* Gail B. Stewart,1990 Examines the historical and political situation which led to the dividing of Germany the problems caused by this change recent events such as the lowering of the Berlin Wall and possible future developments

**The Registrar General's Statistical Review of England and Wales for the Year ...** ,1940 **Agricultural Statistics Report** British Columbia. Dept. of Agriculture. Statistics Branch,1930 *The Penguin Historical Atlas of the Third Reich* R. J. Overy,1996 This atlas charts the rise and fall of Hitler s Nazi state from the first mass meeting to the NSDAP in Munich in 1920 through the relentless territorial aggression and anti Jewish atrocities of World War II to the execution of war criminals at Nuremberg in 1946 An informative one volume handbook that documants the rise and fall of one of the most terrifying and destructive regimes in world history **The Unmaking of a Whig and Other Essays in Self-definition** Edwin Milton Yoder (Jr.),1990 This elegantly written book of essays by syndicated columnist Yoder is for readers who take pleasure in civilized discussions of the American identity in the context of history and our constitutional culture The first and longest of the pieces concerns a 1946 feud between Justices Hugo Black and Robert Jackson which in Yoder s hands becomes a multifaceted discussion of the limits of judging Among Yoder s major themes are institutions as the bedrock of a free society notably discussed in *The Madisonian Persuasion* and *The Centrality of Institutions* the ownership of the Constitution which he wisely argues is a trust between generations in *Whose Constitution Is It Anyway* and the importance of privacy and its place in the Constitution the subject of an excellent essay *Privacy the Search in the Shadows* For political philosophy collections Nedda C Allbray Brooklyn New York Library Journal *Michigan Quarterly Review* ,1985

**The Pursuit of Virtue and Other Tory Notions** George F. Will,1983-10 **Paper Heroes** Witold Rybczynski,1980

Yearbook on International Communist Affairs ,1979 Lost Hero Frederick E. Werbell,Thurston Clarke,1982

Wallenberg s life was an enigma His fate of one of the great unsolved mysteries of World War II He was a handsome aristocratic young diplomat from neutral Sweden who saved 30 000 Jews from the jaws of the Nazi death machine only to disappear at the war s end into the silent hell of Soviet Prison
