Sweet,2019-09 One Two Three That s as long as it took to sear the souls of a dozen young American men thanks to the
craziest most controversial finish in the history of the Olympics the 1972 gold medal basketball contest between the United
States of America and the Union of Soviet Socialist Republics the world s two superpowers at the time The U S team whose
unbeaten Olympic streak dated back to when Adolf Hitler reigned over the Berlin Games believed it had won the gold medal
that September in Munich not once but twice But it was the third time the final seconds were played that counted What
happened The head of international basketball flouting rules he himself had created trotted onto the court and demanded
twice that time be put back on the clock A referee allowed an illegal substitution and an illegal free throw shooter for the
Soviets while calling a slew of late fouls on the U S players The American players became the only Olympic athletes in the
history of the games to refuse their medals Of course the 1972 Olympics are remembered primarily for a far graver matter
when eleven Israeli team members were killed by Palestinian terrorists stunning the world and temporarily stopping the
games One American player Tommy Burleson had a gun to his head as the hostages were marched past him before their
deaths Through interviews with many of the American players and others the author relates the horror of terrorism the pain
of losing the most controversial championship game in sports history to a hated rival and the consequences of the players
decision to shun their Olympic medals to this day Olympic Pictorial 1972 United States Olympic Team Trials United
