1976 Official Baseball Register:

The New Boys of Summer Paul Hensler, 2017-10-06 The 1960s were among the most compelling years in the history of the United States from the intensifying clamor for civil rights to the tragic incidents of assassination and war Caught up in this sea of restlessness was major league baseball and the manner in which baseball addressed the challenges of this decade would have a lasting impact on the game In *The New Boys of Summer Baseball's Radical Transformation in the Late Sixties* Paul Hensler looks at the key issues confronting baseball during this tumultuous time Hensler carefully examines how domestic racial issues the war in Vietnam assassinations of prominent public figures youthful rebellion and drug use each placed their imprint on the game just as baseball was about to celebrate its centennial season The expansion of both the American and National leagues is also covered in depth as are the new divisional alignments and major rule changes that were implemented in 1969 Other factors impacting the national pastime include the appointment of Bowie Kuhn as commissioner the rising influence of Marvin Miller as the director of the players association the construction of modern stadiums and the rapid developments in information technology An earlier generation of players was venerated as the Boys of Summer and indeed they continue to hold their rightful place in baseball's legend and lore but in the late 1960s a fresh cast of characters made their own mark as transformations in the game brought baseball into the new modern era Baseball historians and fans alike will be entertained and informed by this fresh look at the national pastime in the decade of discontent

This Day in Sports Ernie Gross,2017-07-06 Sports events represent for many landmarks for memories contexts that securely fix moments in past time And in America perhaps more than in any other country they are part of what connects the individual to the multitude When we add them to our remembrances they subtly suggest that like sporting contests our personal tales are fit for public consumption How easy and natural it is to add a little referential sidebar to the stories we tell I started work in January I remember because the Bills had just lost the Super Bowl the fourth one On a broader scale sports have left their imprint on the stony history of the nation Beginning slowly with a game of bowls 1611 something like miniature golf in New England 1652 horse racing on Long Island and billiards in Charlestown 1722 the sporting life then gained momentum and a firmer grip on the national conscience with the early play of baseball basketball and football games that would come to dominate the sports scene in 20th century America Organized by day of the year this volume provides the browser the trivia buff and the sports historian a record of thousands of frames matches series and championships Whether it s the day a bases loaded walk gave the National League its 16th All Star victory in 17 seasons July 17 1979 or the day Harvard defeated Yale and Brown in the first ever intercollegiate regatta July 26 1859 there s something new buried within the tome s 365 layers for even the most knowledgeable fans
