With This Ring is a hammered dulcimer collection of tunes for weddings and special occasions. Common wedding processions such as Pachelbel's Canon and Wagner's Bridal March are included as well as common recessionals such as Clarke's Trumpet Voluntary and Mendelsson's Wedding March. Other favorite melodies such as Vivaldi's Spring from the Four Seasons and Beethoven's Fur Elise are included in this tasteful collection that supplies a repertoire suitable for preludes or any elegant occasion. With This Ring is accessible to all levels of players offering both a beginning melody only version and an intermediate arrangement for each song. In addition, each tune has guitar chords notated above the music staff. Standard notation only. **Words on Cassette, 2002** R R Bowker Publishing, 2002. **Dirt Simple Hammered Dulcimer** Dr. Mark Alan Wade, 2015-11-24. The title says it all. Dirt Simple. This book and accompanying online audio are designed for a rank beginner who knows nothing about the hammered dulcimer, providing them the tools to make music right away. Starting with the fundamentals of how to hold hammers and tune the instrument, it delves deeper into mastery with posture, stand height, angle, and replacing strings to set up the beginner for a lifetime of good habits. Every concept introduced is simultaneously presented with illustrations and songs that demonstrate and reinforce. Whether the student reads music or plays by ear, the result is the same: music making right from the beginning. Dr. Mark Alan Wade is an experienced teacher with an undergraduate degree in music education and years of public school teaching experience. Now teaching music theory and dulcimer at Denison University, Dr. Wade offers a unique perspective on teaching hammered dulcimer and has three students who have also won the National Hammered Dulcimer Contest as evidence of his master teaching. It's all about the music. **Dirt Simple Hammered Dulcimer** is written so that the carefully selected tunes are the true teacher. Hands-on learning is made easy with the accompanying audio. Each song is played slowly for students to learn by ear in addition to reading notation. This also allows for the students to hear style traits such as swing that aren't easily conveyed in written notation. With 29 songs, this book and online audio available for download are a year's worth of private lessons in one concise package. **Country Dance & Song Society News**, 1999. **CMJ New Music Monthly**, 2000-08.
