brings to life a violent age in which powerful states like Britain and France intervened in the affairs of smaller weaker countries justifying their actions on the grounds that they were stopping anarchists and terrorists from destroying society religion and government The Genevans and the Irish rebels in turn saw themselves as advocates of republican virtue willing to sacrifice themselves for liberty rights and the public good Terrorists Anarchists and Republicans shows how the massacre at Geneva Barracks marked an end to the old Europe of diverse political forms and the ascendancy of powerful states seeking empire and markets in many respects the end of enlightenment itself *The Message of the City* Patricia E.
