*Boy Meets Horn* Rex Stewart, 1995-11-27 One of the most innovative and inventive soloists in jazz cornetist Rex Stewart 1907-67 became known as a writer on jazz subjects This work his autobiography drafted at the time of his death has been edited from its manuscript sources by Stewart's amanuensis who edited his earlier posthumous collection *Jazz Masters of the Thirties* With a selection of rare photographs from Stewart's own archive and manuscript facsimiles **Boy Meets Horn** Duke Ellington, 1940 *The Uncrowned King of Swing* Jeffrey Magee, 2005-01-13 If Benny Goodman was the King of Swing then Fletcher Henderson was the power behind the throne Not only did Henderson arrange the music that powered Goodman's meteoric rise he also helped launch the careers of Louis Armstrong and Coleman Hawkins among others Now Jeffrey Magee offers a fascinating account of this pivotal bandleader throwing new light on the emergence of modern jazz and the world that created it Drawing on an unprecedented combination of sources including sound recordings obscure stock arrangements and hundreds of scores that have been available only since Goodman's death Magee illuminates Henderson's musical output from his early work as a New York bandleader to his pivotal role in building the Kingdom of Swing He shows how Henderson standing at the forefront of the New York jazz scene during the 1920s and 30s assembled the era's best musicians simultaneously preserving jazz's distinctiveness and performing popular dance music that reached a wide audience Magee reveals how in Henderson's largely segregated musical world black and white musicians worked together to establish jazz how Henderson's style rose out of collaborations with many key players how these players deftly combined improvised and written music and how their work negotiated artistic and commercial impulses And we see how in the depths of the Depression record producer John Hammond brought together Henderson and Goodman a fortuitous collaboration that changed the face of American music Whether placing Henderson's life in the context of the Great Migration or the Harlem Renaissance or describing how the savvy use of network radio made the Henderson Goodman style a national standard Jeffrey Magee brings to life a monumental musician who helped to shape an era [Catalog of Copyright Entries, Third Series](#), 1967 The record of each copyright registration listed in the Catalog includes a description of the work copyrighted and data relating to the copyright claim the name of the copyright claimant as given in the application for registration the copyright date the copyright registration number etc *Swing Changes* David Ware Stowe, 1994 Drawing on memoirs oral histories newspapers magazines recordings photographs literature and films Stowe looks at New Deal America through its music and shows us how the contradictions and tensions within swing over race politics its own cultural status the role of women mirrored those played out in the larger society [Catalog of Copyright Entries](#) Library of Congress.
