Boy Who Swallowed A Ghost:

The Boy who Swallowed a Ghost Vivien Alcock, 2001 Fort lling om Mike og hans skolekammerat kaldet prins Kong der sluger et sp gelse **Ghostaniaz** Tessa Dawn ,2022-10-20 Brutal broken and beyond redemption Ghostaniaz Dragos son of the most merciless and depraved dragon lord has nothing left to lose He lost his childhood if not his soul a long time ago exchanging hope for defiance and love for wrath And now that he is trapped in the Lower Realm all bets are off Beautiful bold and beholden to Ghostaniaz for survival Bethany Reid is in wicked dire straits of her own She was abducted from a haunted house on All Hallows Eve dragged before a garish red velvet throne and offered like a lamb to the slaughter to the immortal Pagan King of the underworld What neither Ghost nor Beth realize is that the Seven have manipulated everything Beth is Ghost s preordained dragyra His fated His female The only human woman in many lifetimes of suffering who might stand a chance of reaching his calcified barren heart She is his only hope for deliverance even as he is hers Two unwitting pawns in a deadly game of chance power and dominion Beth and Ghost must face their inner demons and overcome shadow walkers sin eaters and mortal enemies alike in order to find their way back to the Temple of Seven But time is not on their side **The Ghost's Vengeance-Shackles of Salt and Blood** Milo ZANE, 2025-04-17 The sea remembers every sin Elias Drake was left to die swallowed by black water chained to a curse older than bones But the ocean didn t take him Not yet Dragged back from the deep marked by blood and salt Elias walks where no man should hunted by ghosts haunted by betrayal and bound to cursed gold that drinks the souls of those who touch it His captain sold his crew for greed His ship rots beneath strange stars And the island waits patient silent watching This is not a story of heroes This is not a story of mercy This is the weight of curses carved into flesh This is blood bought back by vengeance This is The Ghost s Vengeance Shackles of Salt and Blood Some treasure was never meant to be found Some names were never meant to be spoken And the sea always comes to collect *Misadventures in Ghosthunting* Melissa Yue, 2024-08-27 Creepy magical and full of heart *Misadventures in Ghosthunting* heralds the arrival of a talent to watch Joel A Sutherland author of *House of Ash and Bone* and *Haunted Canada* series Emma Wong is struggling to tell her parents about a lot of things Getting a D on her math test for one Seeing ghosts for another When a mysterious figure sets Emma s family altar on fire that s one more secret to add to her list which is growing perilously long At the top of the list is the spectral ghosthunter named Henry who has an attitude problem and a special loathing for Emma Next there s Leon a mild mannered ghost guardian who is as flighty as the pigeon he often turns into There s Michelle Emma s ride or die bestie whose curiosity about ghosts often eclipses her instinct for survival And then there s Chinese calligraphy the magical kind In the hands of a skilled ghosthunter words and intention transform into magical protections But in Emma s shaky hands it s shiny and ineffective The most stunning secret however is that Emma s sweet plant loving grandmother has the power to shank ghosts What s more her grandma is an exorcist with a secret of her own A secret that is haunting the Wongs from the Underworld The only way for Emma to save her loved ones is

to tap into the Wong family's ghosthunting history. Easier said than done of course. Hungry ghosts are one thing but Emma's bad calligraphy may be what dooms them all. *The mystery of Kittie-boy* Jennie Chappell, 1899 **Model Citizens** Daniel Shand, 2022-05-05 It has the pace and dynamism of a thriller the metaphysical curiosity of the best science fiction and some judiciously planted charges of wry humour. The Herald A dazzling novel. Edmund Gordon award winning author. And how to tell what the best things were. Well that was easy the best things were the ones with the most people looking at them. Alastair Buchanan has a comfortable life. It's been a year since he received his very own junior a clone designed to help him escape the daily grind. So why does Alastair spend his days alone online obsessing over his status. When his long term girlfriend Caitlin can't take it anymore Alastair does his best to hold it together. But then a remnant from his past appears and he is forced to confront the level of control that technology has over his life. Elsewhere an anti tech terrorist cell dedicated to yanking humanity back to the 1990s is building momentum. And looming over everyone is Kim Larson inventor of the juniors. But when Kim realises that humanity's future lies in the stars who will be left to hold him to account. From award winning author Daniel Shand *Model Citizens* explores a surreal world peopled by humans struggling with their dehumanising present. Full of suspense it asks us what we give up when we exist online and who we can trust to take care of us. *Model Citizens* is a subversive and darkly comic story of class technology and responsibility offering a vision of the future that may be closer than we realise. **The girl's own reciter, ed. by C. Peters** Charles Peters, 1904 *Sent Back by the Angels: and Other Ballads of Home and Homely Life* Frederick Langbridge, 1898 **Anderson Castle** Connie Furnari, 2015-11-26 Archie is seventeen years old and lives in Jersey City New Jersey he loves reading horror books but unlike his friends he has a special power he is a psychic he can foresee the future and he can sense things that the human consciousness ignores. One day he receives a letter without the return address that informs him about the mysterious death of a distant relative from England Lord Archibald Anderson III. The Lord appointed Archie as his only successor and bequeathed an ancient castle near London to him on condition that the boy arrives at the manor house strictly before the 31st of October without explaining the reason. Archie arrives at Anderson Castle in company of three classmates the funny and affable Penny the cocky womanizer Rigger and the snob and very rich Daphne. The four friends are welcomed by a man named Frank who introduced himself as Archie's uncle the deceased Lord's brother. However the uncle seems eager to throw them out before the Halloween's night begins. The four friends find out very soon that the castle is actually haunted by furious demonic ghosts that will try to kill them in every way and that Lord Archibald's death is linked to the mystery of Anderson Castle. *Anderson Castle* is a fantasy horror for teenagers intentionally ironic and its theme is typical of the *Haunted* series the haunted house with ghosts following the novel series *Goosebumps* from R L Stine. The whole novel is a tribute to the book *The Canterville Ghost* by Oscar Wilde since it follows its irony the soft horror and the funny situations. *Hamlet* by William Shakespeare is another book often cited it's not a coincidence that the title of every chapter sums up the happenings in *Anderson Castle* with a phrase from this famous

tragedy The third important point is the exorcism of death The four protagonists are threatened by supernatural beings that will bring each of t
