Brad Cooneys Lets Talk Boxing:

Brad Cooney's Let's Talk Boxing Brad Cooney,2005-05-02 This book is filled with interviews of some of boxing s greatest fighters greatest minds and biggest hearts I did my best to capture the mindset of each individual how boxing perceives them and how they perceive their personal contributions to the sport Boxing is a very old sport as is baseball and football If you compare the injuries by sport you will see that boxing has the least amount of the three Today s boxing still has some work to do but in my opinion the sport is doing well There are a lot of very talented up and coming fighters climbing the ranks I hope that more time and money will be spent on the amateur level of this great sport The amateur level of boxing is where it all begins Amateur boxing is the foundation if the foundation is not sound then the boxing house that the pros live in may come crashing down
