Queer as folklore Sacha Coward, 2025-11-25 A celebration of queer history like you've never seen it before. *Queer as folklore* travels across centuries and continents to reveal the unsung heroes and villains of storytelling magic and fantasy. Featuring images from archives, galleries and museums around the world, each chapter investigates the queer history of different mythic and folkloric characters, both old and new. Leaving no headstone unturned, Sacha Coward takes you on a wild ride through the night from ancient Greece to the main stage of RuPaul's Drag Race, visiting cross-dressing pirates, radical fairies and the graves of the queerly departed along the way. Queer communities have often sought refuge in the shadows and created safe spaces in underworlds. But these forgotten narratives tell stories of resilience that deserve to be heard. Join any Pride march and you will see a glorious display of papier mâché unicorn heads, drag queens in mermaid tails and more fairy wings than you can shake a trident at. These are not just accessories; they are queer symbols with historic roots. To truly understand who queer people are today, we must confront the twisted tales of the past.

[David Bowie and Romanticism](#) James Rovira, 2022-08-22 *David Bowie and Romanticism* evaluates Bowie's music, film, drama and personae alongside eighteenth and nineteenth-century poets, novelists and artists. These chapters expand our understanding of both the literature studied as well as Bowie's music, exploring the boundaries of reason and imagination and of identity, gender and genre. This collection uses the conceptual apparatus and historical insights provided by the study of Romanticism to provide insight into identity formation, drawing from Romantic theories of self to understand Bowie's oeuvre and periods of his career. The chapters discuss key themes in Bowie's work and analyze what Bowie has to teach us about Romantic art and literature as well.

This fourth edition has been fully revised and expanded to include even more acts than ever before, with additional sections to cover Band Aid-style charity congregations and compilation albums from the early 80s, K-Tel efforts through to the Now That's What I Call Music series and its competitors. Compiled by Steve Binnie, editor of the 80s music website *Sound of the Crowd* and writer, producer and co-host of the unconventional 80s chart show *Off The Chart* broadcast
