Kill and Tell Linda Howard, 2011-08-09 Family secrets and murder converge in this captivating and suspenseful romance from New York Times bestselling author Linda Howard. Some secrets need to be told. Still reeling from her mother's recent death, Karen Whitlaw is stunned when she receives a package containing a mysterious notebook from her estranged father, whom she has barely seen since his return from the Vietnam War decades ago. Then a shocking phone call: Karen's father has been murdered on the gritty streets of New Orleans. Even if they lead to murder, for homicide detective Marc Chastain, something about the case of a murdered homeless man just doesn't add up, especially after he meets the victim's daughter. Far from the cold woman he expected, Karen Whitlaw is warm and passionate. She is also in serious danger. A string of accidents have shaken Karen to the core and forced her into the protective embrace of the charming detective she vowed to resist. Together, they unravel a disturbing story of politics, power, and murder, and face a killer who will stop at nothing to get his hands on her father's secrets.

Theron Salter and the Wolf on the Wall Don Hadley, 2018-07-24 In the nothingness of space, God found matter building blocks of regiments from earlier times. With that matter, he created the earth, placing it among the stars. It was encircled by the leftover matter floating in a giant ring about the earth. That matter he formed again into six new worlds, and because the matter was so unique, he placed it inside the same space as earth—seven worlds, each separate and distinct, all in the same heavenly space yet operating freely from one another. Life was placed on each world, and only occasionally a bubble would form, allowing free passage from
