## **Boxer Rebellion:**

*The Boxer Rebellion* Christopher Martin, 1968      *The Origins of the Boxer Uprising* Joseph W. Esherick, 1988-08-18 In the summer of 1900 bands of peasant youths from the villages of north China streamed into Beijing to besiege the foreign legations attracting the attention of the entire world Joseph Esherick reconstructs the early history of the Boxers challenging the traditional view that they grew from earlier anti dynastic sects and stressing instead the impact of social ecology and popular culture      **The Boxer Rebellion and the Great Game in China** David J. Silbey, 2012-03-27 A concise history of an uprising that took down a three hundred year old dynasty and united the great powers The year is 1900 and Western empires are locked in entanglements across the globe The British are losing a bitter war against the Boers while the German kaiser is busy building a vast new navy The United States is struggling to put down an insurgency in the South Pacific while the upstart imperialist Japan begins to make clear to neighboring Russia its territorial ambition In China a perennial pawn in the Great Game a mysterious group of superstitious peasants is launching attacks on the Western powers they fear are corrupting their country These ordinary Chinese called Boxers by the West because of their martial arts showmanship rise up seemingly out of nowhere Foreshadowing the insurgencies of our recent past they lack a centralized leadership and instead tap into latent nationalism and deep economic frustration to build their army Many scholars brush off the Boxer Rebellion as an ill conceived and easily defeated revolt but in *The Boxer Rebellion and the Great Game in China* the military historian David J Silbey shows just how close the Boxers came to beating back the combined might of the imperial powers Drawing on the diaries and letters of allied soldiers and diplomats he paints a vivid portrait of the war Although their cause ended just as quickly as it began the Boxers would inspire Chinese nationalists including a young Mao Zedong for decades to come      [A Brief History of the Boxer Rebellion](#) Diana Preston, 2002 Fuelled by hatred of foreigners and all they stood for the ferocious uprising of Chinese peasants and ensuing siege of Peking in the summer of 1900 sent shockwaves around the world Diana Preston brings thundering to life this 55 day conflict between the Boxers so called for their martial arts skills and the Westerners such as the young Herbert Hoover they terrorized      *The Fists of Righteous Harmony* Geoffrey Pen, 1991-03-19 This book tells the story of the Boxer Rebellion in China in 1900 The Boxers were a fanatical secret organization who were incited by anti foreign elements in the Chinese Government to commit wide scale deportations against foreign missionaries and their Chinese converts The Boxers had the tacit support of the Dowager Empress Tzu Hsi who maintained all the while that they were beyond her control The Boxer Rebellion came to a head with the 55 day siege of the Peking Legations and ended in total humiliation for the Chinese      *Boxer Rebellion* Diana Preston, 2001-07-01 Chinese peasants chafed against the foreign technologies and ideas that the imperialists introduced Then a new movement mystical materialistic and virulently anti Christian began to spread among them like wildfire The foreigners laughed at the peasants martial arts routines and nicknamed them the Boxers never imagining that the group with the backing of China s empress dowager would soon

terrorize the world This acclaimed account of the Boxer Rebellion by an Oxford trained historian is an important new addition to every shelf of high quality highly accessible history [The Boxer Rebellion](#) Diana Preston,2000-06-01 Portrays the dramatic human experience of the Boxer Rebellion from both a Western and Chinese perspective drawing on diaries memoirs and letters of those who lived through this pivotal time in the history of China [Peking 1900](#) Peter Harrington,2013-03-20 A concise detailed examination of the Siege of the International Legations and its aftermath featuring special artwork and maps **The Boxers, China, and the World** Robert Bickers,R. G. Tiedemann,2007-07-12 In 1900 China chose to take on imperialism by fighting a war with the world on the parched north China plain This multidisciplinary volume explores the causes behind what is now known as the Boxer War examining its particular cruelties and its impact on China foreign imperialism in China and on the foreign imagination This war introduced the world to the Boxers the seemingly fanatical violent xenophobes who believing themselves invulnerable to foreign bullets died in their thousands in front of foreign guns But 1900 also saw the imperialism of the 1890s checked and the Qing rulers of China move to embark on a series of shattering reforms The Boxers have often been represented as a force from China s past resisting an enforced modernity Here expert contributors argue that this rebellion was instead a wholly modern resistance to globalizing power representing new trends in modern China and in international relations The allied invasion of north China in late summer 1900 was the first multinational intervention in the name of civilization with the issues and attendant problems that have become all too familiar in the early twenty first century Indeed understanding the Boxer rising and the Boxer war remains a pressing contemporary issue This volume will appeal to readers interested in modern Chinese East Asian and European history as well as the history of imperialism colonialism warfare missionary work and Christianity Contributions by C A Bayly Lewis Bernstein Robert Bickers Paul A Cohen Henrietta Harrison James L Hevia Ben Middleton T G Otte Roger R Thompson R G Tiedemann and Anand A Yang **Fifty-five Days of Terror** Burt Hirschfeld,1971 *The Spirit Soldiers* Richard O'Connor,1973 Recreates events of 1900 in China when a small fanatical sect attacked foreign devils killing Christian missionaries and Chinese Christians told from both Chinese and Western points of view **The Boxer Rebellion** Paul Henry Clements,1915 **The Boxer Rebellion** Lynn Bodin,1979-11-08 In the year 1900 an unprecedented co operation occurred between the eight major military powers of the world For more than a year military and naval personnel from Austria Hungary France Germany Great Britain Italy Japan Russia and the United States fought together against a common enemy That enemy was a society whose goal was the extermination of all foreign devils in China the I Ho Ch uan or Righteous Harmonious Fists better known to the West as the Boxers This engaging account packed with original photographs and full colour artwork tells the story of this unique occurrence in military history [The Origins of the Boxer Uprising](#) Joseph Esherick,1987 In the summer of 1900 bands of peasant youths from the villages of north China streamed into Beijing to besiege the foreign legations attracting the attention of the entire world Joseph Esherick reconstructs the early history of
