Boy Overboard Morris Gleitzman, 2005 The best fiction for the Key Stage 3 classroom **The Fiction Gateway** Suzanne Eberlé, Noelle Williamson, 2009 In this guide two experienced school librarians provide a selection of books for librarians teachers and parents The Fiction Gateway is an essential resource that supports individual group and social reading program and provides an instant guide to matching children s interests with suitable reading material **Collection # 6**, 2006 The Australian Script Centre promotes and distributes some of Australia s best performance writing to a variety of markets This collection profiles the best scripts from the 2005 6 program It includes major prize winners critical and popular successes and yet to be produced gems *Into the Closet* Victoria Flanagan, 2013-08-21 Into the Closet examines the representation of cross dressing in a wide variety of children s fiction ranging from picture books and junior fiction to teen films and novels for young adults It provides a comprehensive analysis of the different types of cross dressing found in children s narratives raising a number of significant issues relating to the ideological construction of masculinity and femininity in books for younger readers Many literary and cultural critics have studied the cultural significance of adult cross dressing yet although cross dressing representations are plentiful in children s literature and film very little critical attention has been paid to this subject to date Into the Closet fills this critical gap Cross dressing demonstrates how gender is symbolically constructed through various items of clothing and apparel It also has the ability to deconstruct notions of problematizing the relationship between sex and gender Into the Closet is an important book for academics teachers and parents because it demonstrates how cross dressing rather than being taboo is frequently used in children s literature and film as a strategy to educate or enculturate children about gender **The Land of the Mammoth; Or, A Boy's Arctic Adventures Three Hundred Years Ago** Thomas Frost, 1877 **Peck's Bad Boy in an Airship** George Wilbur Peck, 1908 A story relating the adventures of Peck s bad boy and his pa who are sent to Europe to investigate airships with an idea of using them in the United States Navy Tells of their adventures in Europe also in South Africa where the airship is used in hunting wild animals t p **Navy Boys on Special Service** Halsey Davidson, 1920 **Ways of Being Male** John Stephens, 2013-10-18 Given the substantial impact of feminism on children s literature and culture during the last quarter century it comes as no surprise that gender studies have focused predominantly on issues of female representation The question of how the same patriarchal ideology structured representations of male bodies and behaviors was until very recently a marginal discussion Now that masculinity has emerged as an overt theme in children s literature and film critical consideration of the subject is timely if not long overdue Ways of Being Male addresses this new concern in an unprecedented collection of essays examining how contemporary debates about masculinity are reflected in fiction and film for young adults An outstanding team of scholars elucidates the ways in which different versions of male identity are constructed and presented to young audiences The contributors drawn from a variety of academic disciplines employ international discourses in literary criticism feminism

social sciences film theory psychoanalytic criticism and queer theory in their wide ranging exploration of male representation
With its illuminating array of perspectives this pioneering survey brings a long neglected subject into sharp focus The Windsor Magazine ,1896 **The Hero of the Humber, Or, The History of the Late Mr. John Ellerthorpe** Henry Woodcock,1880 **John Chinaman and a Few Others** Edward Harper Parker,1909 **Documents of the Assembly of the State of New York** New York (State).
