Boy Who Loved Windows:

The Boy Who Loved Windows Patricia Stacey, 2011-05-31 The compelling story of Walker Stacey a child who triumphed over his autistic tendencies with the dedicated help of his family When in 1996 Patricia Stacey gave birth to her second child a baby boy she quickly noticed an emptiness in his gaze a vacant quality that emphasized her sense that he was ill at ease in his own body By the time Walker was five months old his gaze was obsessively directed towards windows light had become his true north Despite the reassurance of many health professionals that Walker was fine during the weeks and months that followed the family continued to question the experts who finally arrived at a diagnosis of sensory integration problems a term inextricably linked with autism Refusing to accept that this diagnosis would lead to the finality of an autistic disorder the family dedicated four years to incessantly drawing Walker away from the sirens that seemed to call him inwards using the latest play based techniques Progress was often painfully gradual and yet sometimes they made astonishing leaps on the back of seemingly bizarre treatments like simply rubbing the roof of Walker s mouth Not only a story of Walker s development *The Boy Who Loved Windows* also follows his parents journey of understanding and coming to terms with Walker s difficulties Today Walker still suffers from allergies and occasional gastrointestinal difficulties but he has attended a normal preschool and looks forward to everything you would hope for for a child Not bad for the kid they said would probably never walk or talk

The Boy Who Loved Windows Patricia Stacey, 2004-09-22 This enthralling memoir is the day by day story of how one little boy was saved from a path leading to autistic isolation It is also a first hand account of the new model of research and treatment pioneered by Stanley Greenspan M D that makes this recovery possible for others Walker whom pediatricians worried would never walk talk or perhaps even hear or see was lucky enough to be born to a family who would not accept defeat Pat Stacey reveals the darkest fears struggles exhaustion tiny victories and eventual joys her family faced as they gradually brought Walker into full contact with the world
